

# Depression Detection Report

Generated: 2025-11-14 10:11:57

**Final Classification: Not Depressed**

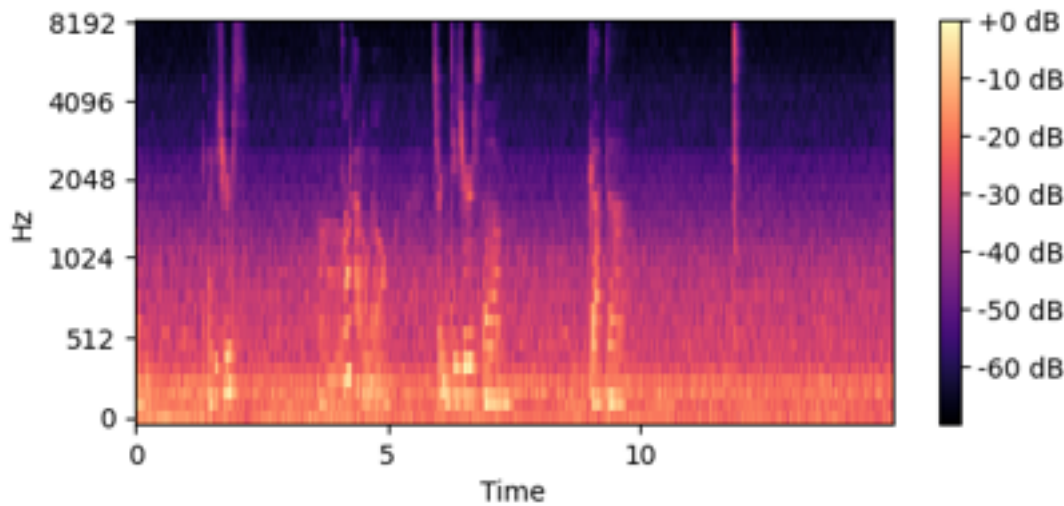

Final Probability: 0.3823

**Segment 1 | Probability: 0.3261**

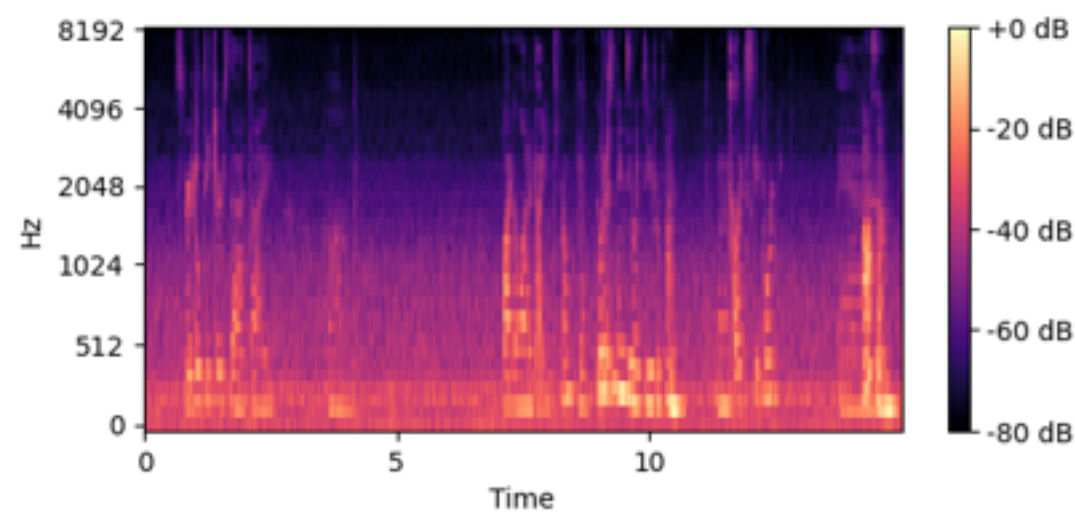

Los Angeles, California? Yes. The Southern California lifestyle, the beaches, the active lifestyle, the traffic, the pretentious people.

**Segment 2 | Probability: 0.3228**

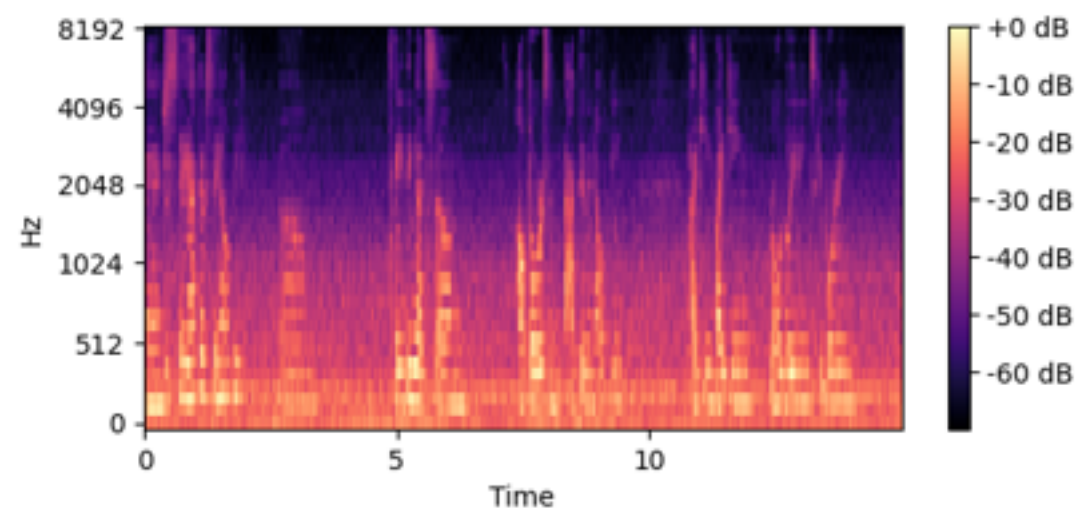

My teachers, I don't know, certain teachers got...

**Segment 3 | Probability: 0.2960**

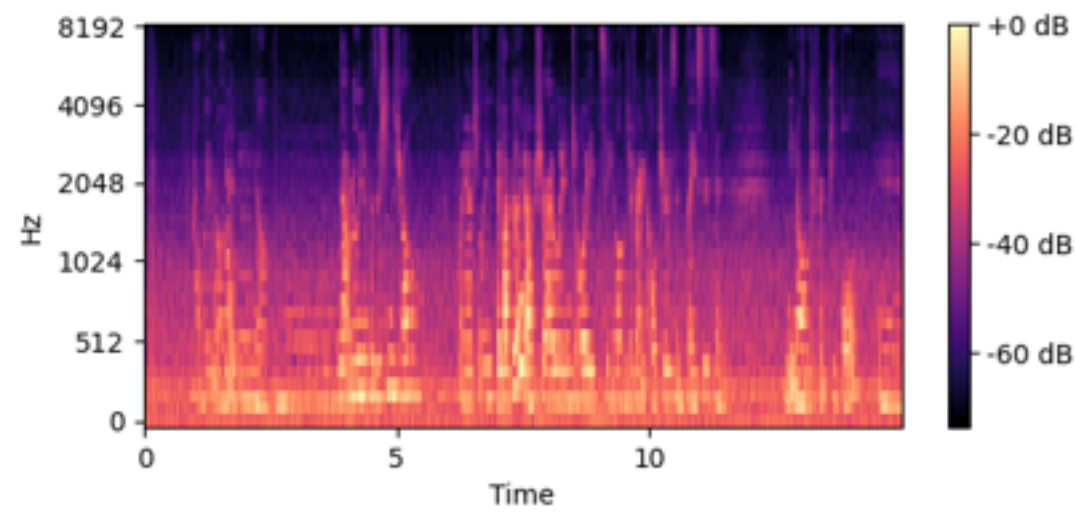

spiritual teachers that I find a lot of guidance from. What are some things you like to do for fun? I like to skateboard. Awesome.

**Segment 4 | Probability: 0.3233**

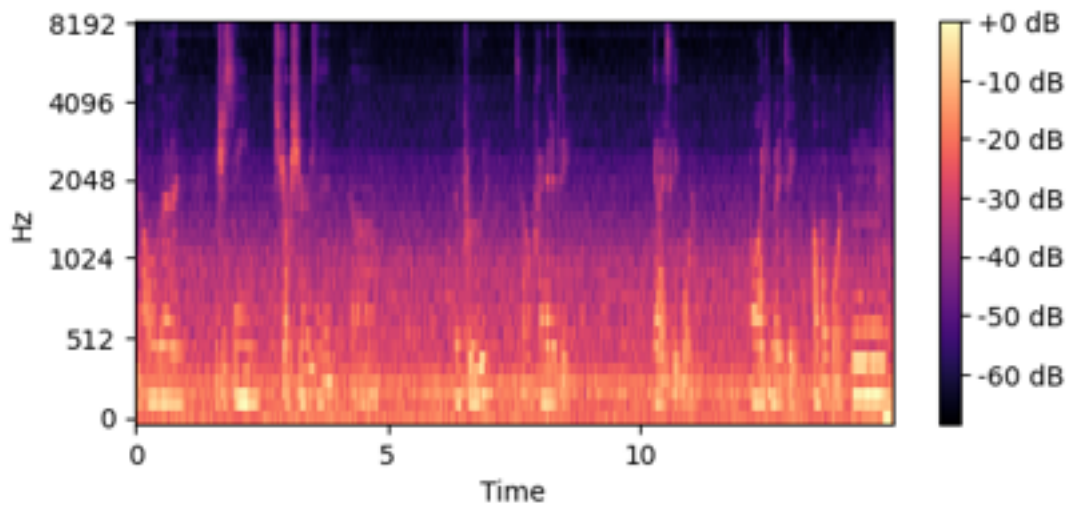

and just stay active, stay healthy. Anything that's outdoors and active and healthy. Hiking, biking, rollerblading, skateboarding.

**Segment 5 | Probability: 0.3043**

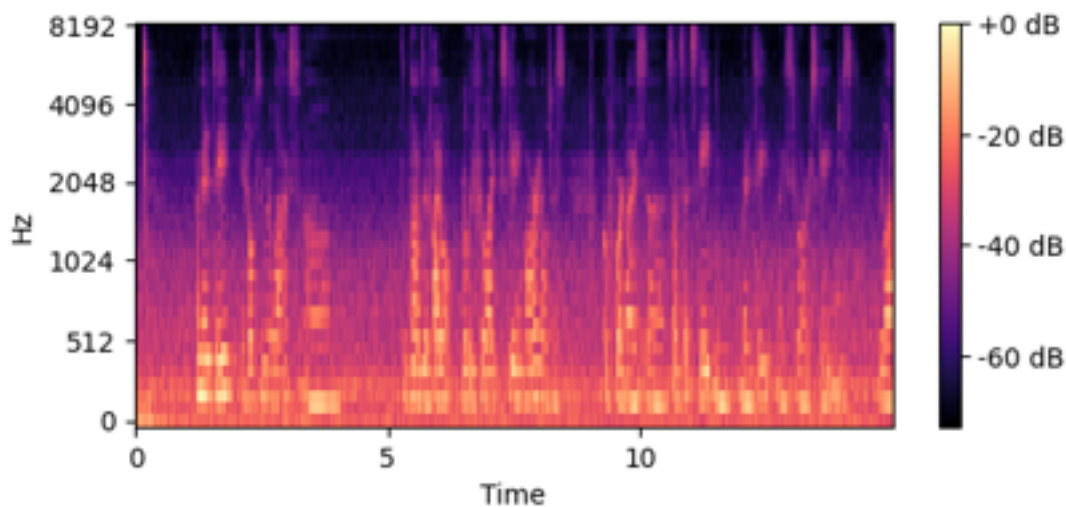

Probably not. Not really in a position to travel financially. If I could, I'm sure I would enjoy seeing all the different cultures and places and meeting all the different people.

**Segment 6 | Probability: 0.3142**

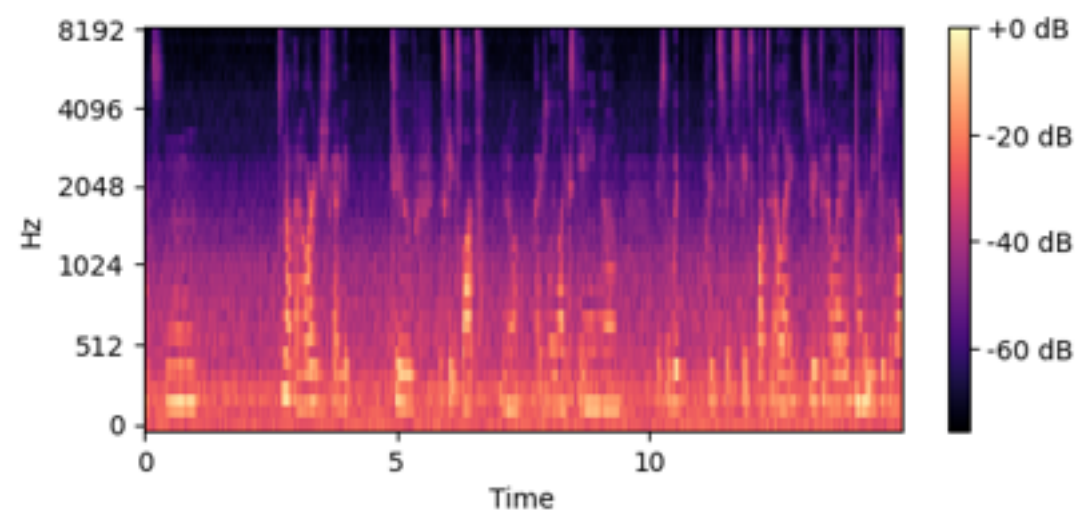

and all the interesting structures and food. So I meditate and I skateboard. Well, I can meditate on my board.

**Segment 7 | Probability: 0.3824**

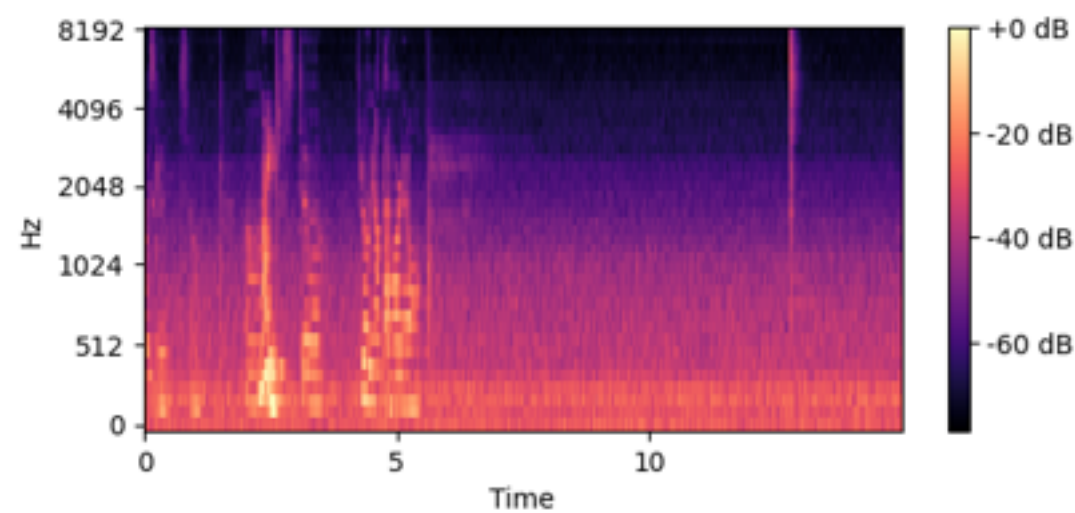

I meditate, it helps me relax. Sometimes if I don't really feel like skating hard I'll just go for a nice sunset skate and meditate, nice two hour skate and just relax.

**Segment 8 | Probability: 0.3718**

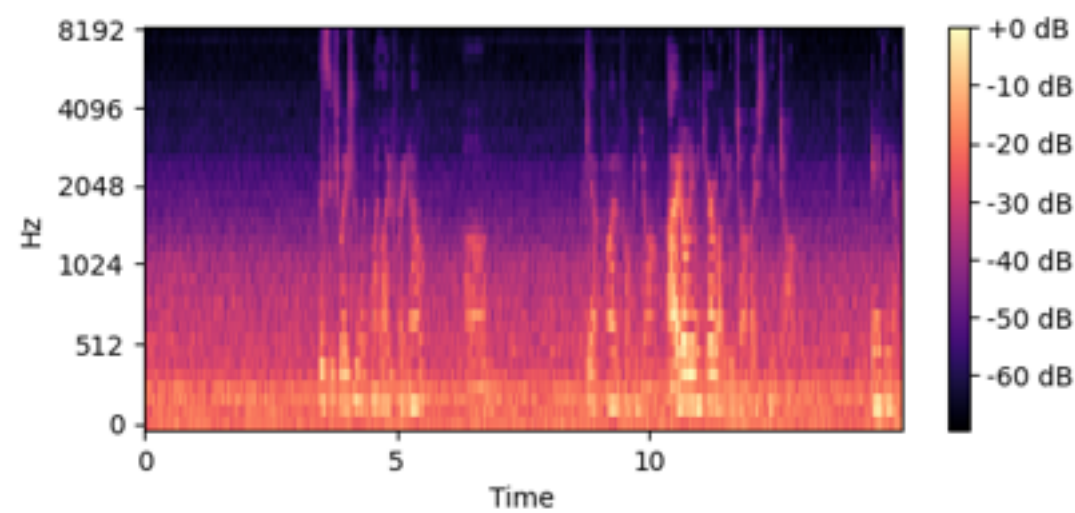

It's not that hard, you just gotta get to the skate spots, you know, I usually like skating. There's some good good space, skate spots in LA, streets in LA, other beaches as well.

**Segment 9 | Probability: 0.3751**

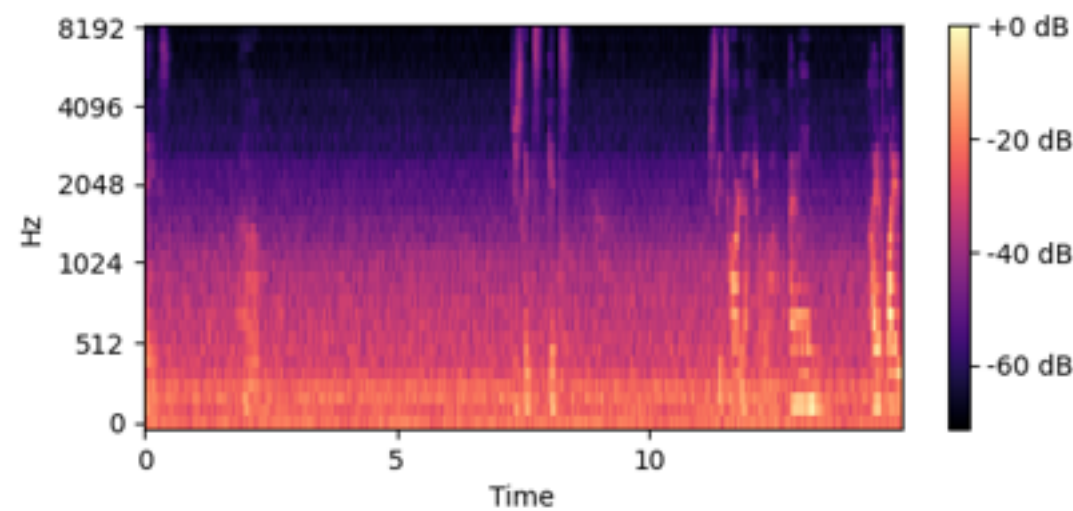

It's really not that hard at all.

**Segment 10 | Probability: 0.4415**

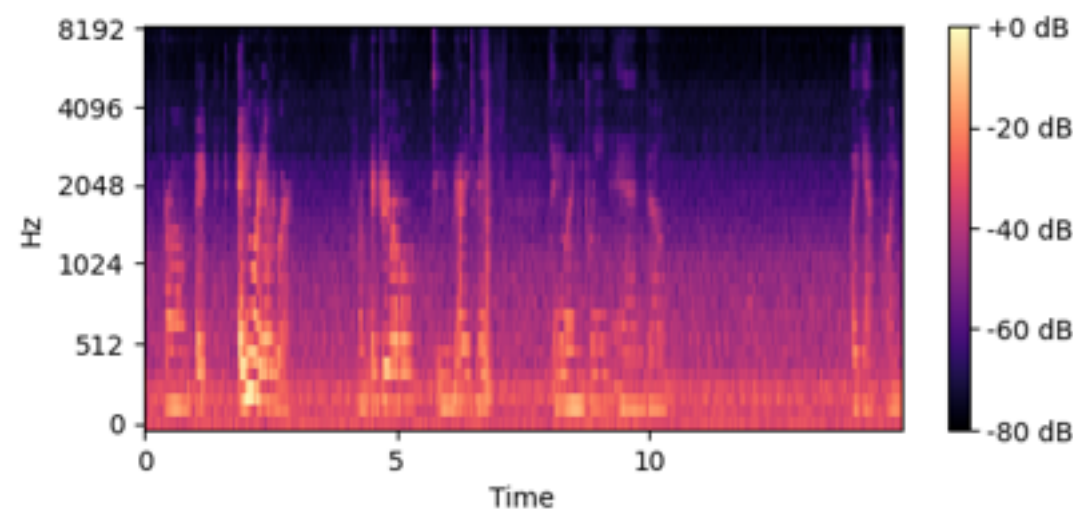

The situation with my life right now, I can't find a fucking job. I don't even care about a good job, I just need a job. Anything that can...

**Segment 11 | Probability: 0.3722**

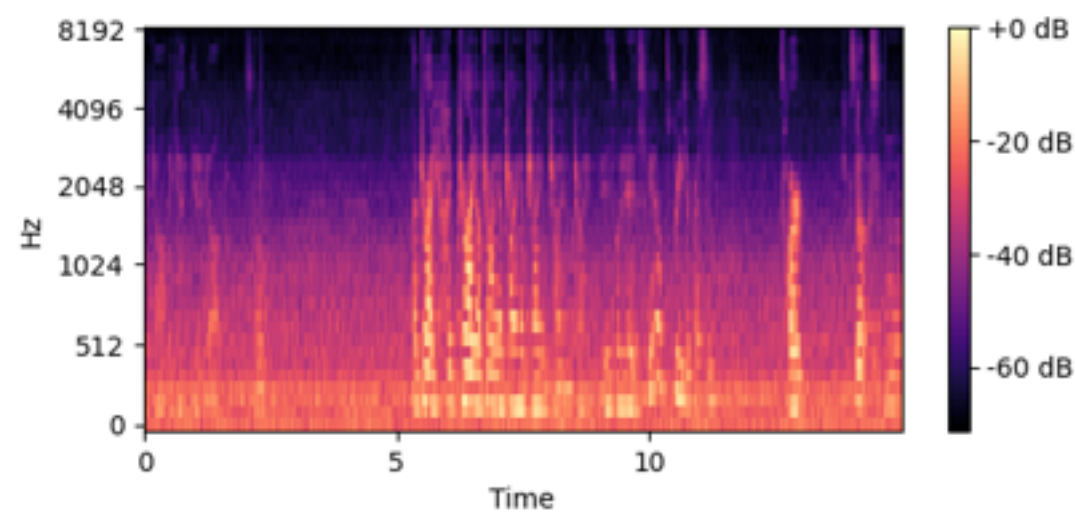

I mean, I apply it to my face. It just gets hard after a while. I mean, I apply it to my face.

**Segment 12 | Probability: 0.4091**

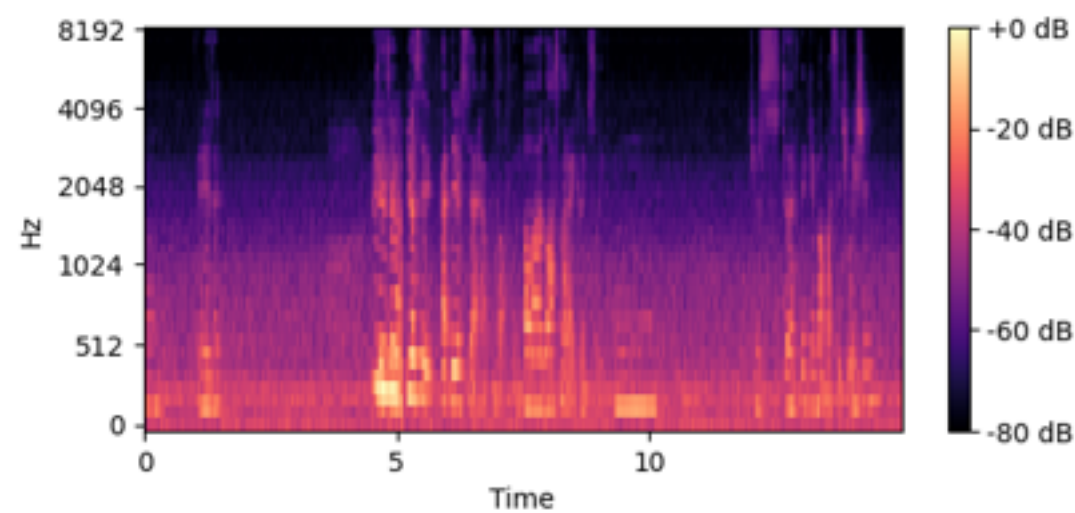

from anywhere and everywhere from entry level to management anywhere in between and I can't find

**Segment 13 | Probability: 0.4323**

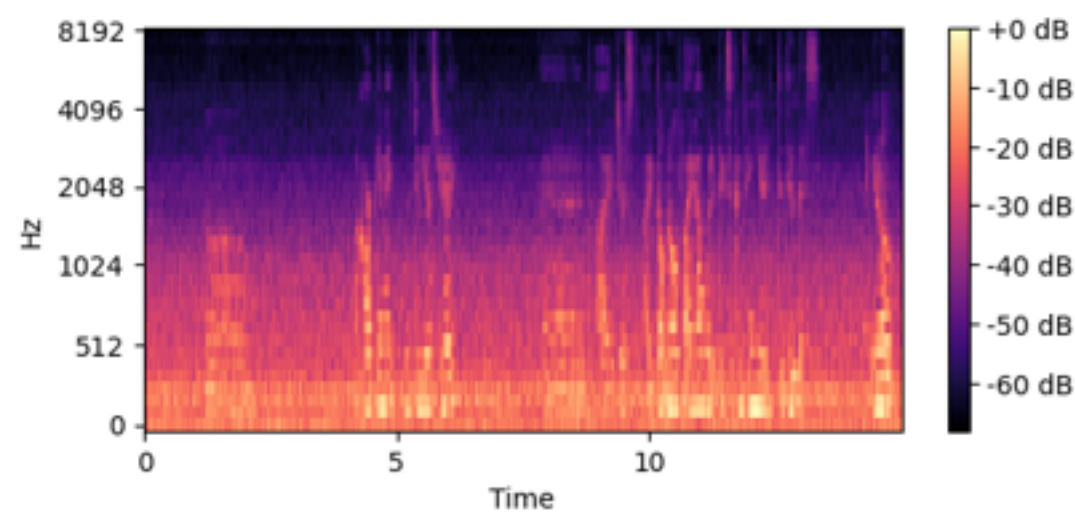

I can't get a job. So... I'm trying. I'm trying. I'm trying. I'm trying. I'm trying. I'm trying. I'm trying. It is what it is. Yeah, it's pretty depressing. It's hard. It sucks.

**Segment 14 | Probability: 0.5090**

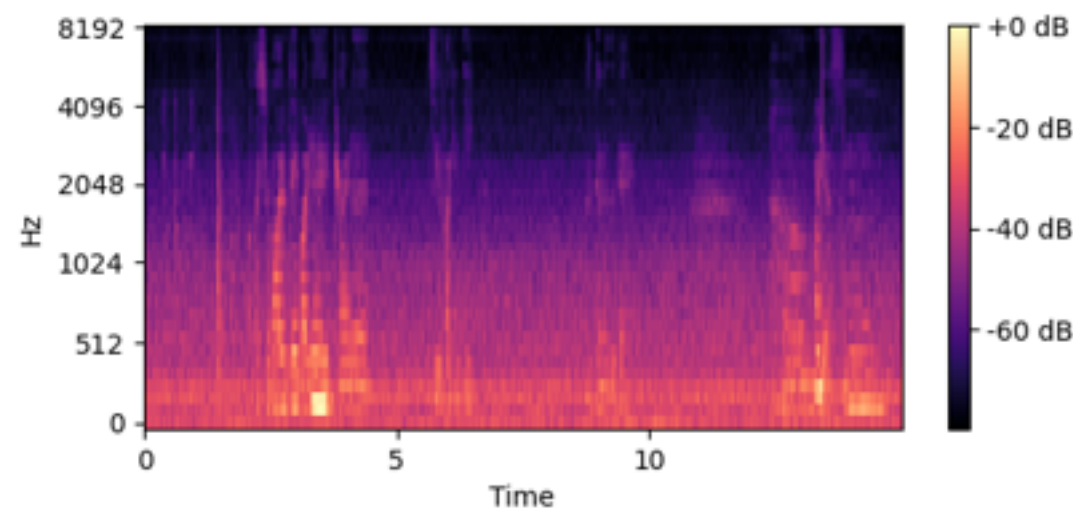

Is it? Yes, it at this that happens often last night I couldn't sleep Just thinking about my situation

**Segment 15 | Probability: 0.3459**

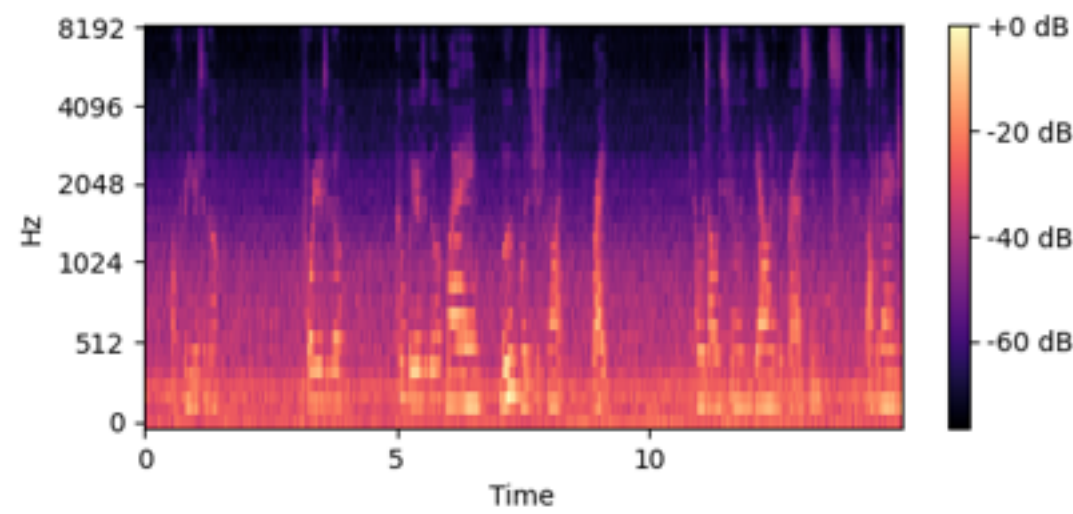

A car payment was due yesterday. And I just, I don't know if I have what it takes to continue to do this. You know?

**Segment 16 | Probability: 0.3111**

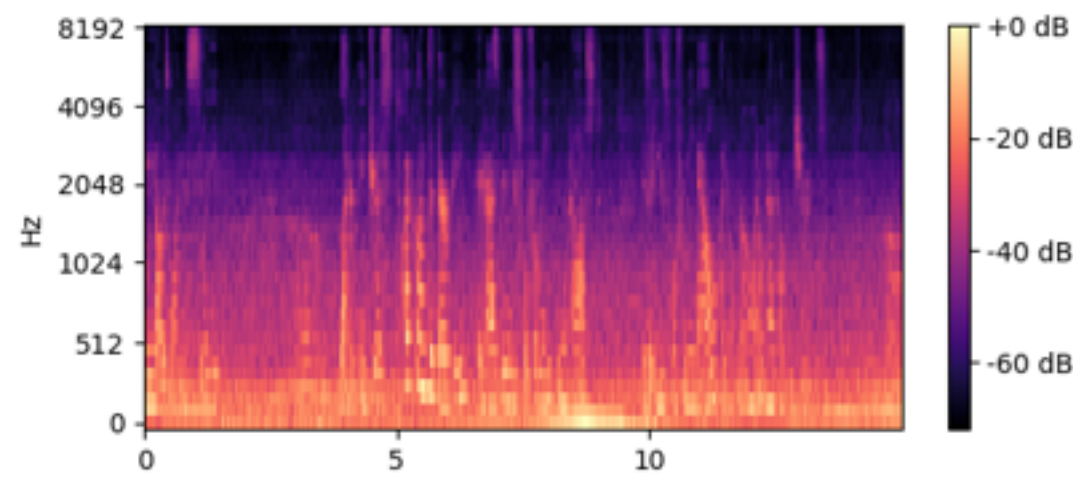

I survived day by day trying to see if I can eat at the end of the day. Um, yes.

**Segment 17 | Probability: 0.5141**

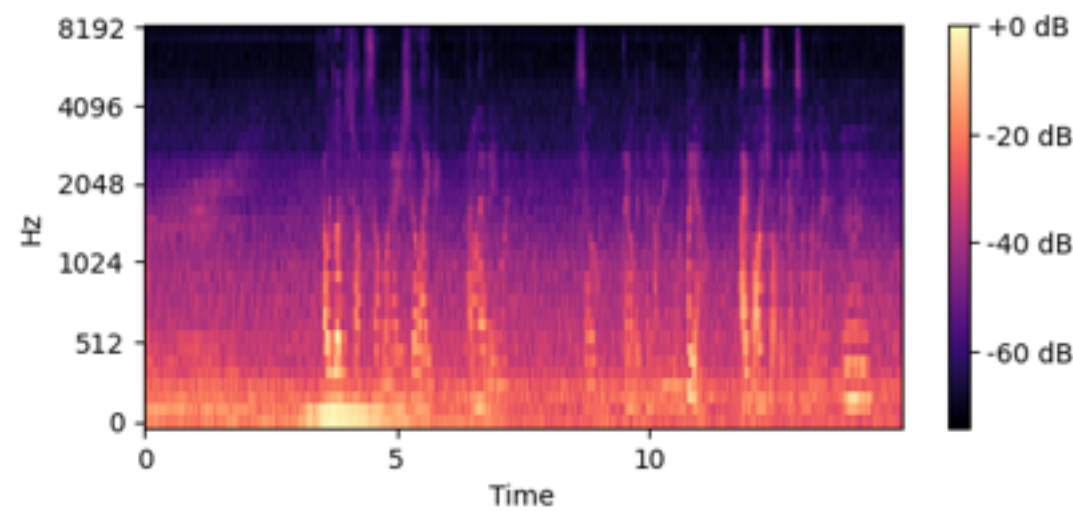

about three years ago, four years ago, a couple years ago. My mood was just not right. I was always feeling down and depressed and it's like a energy.

**Segment 18 | Probability: 0.5531**

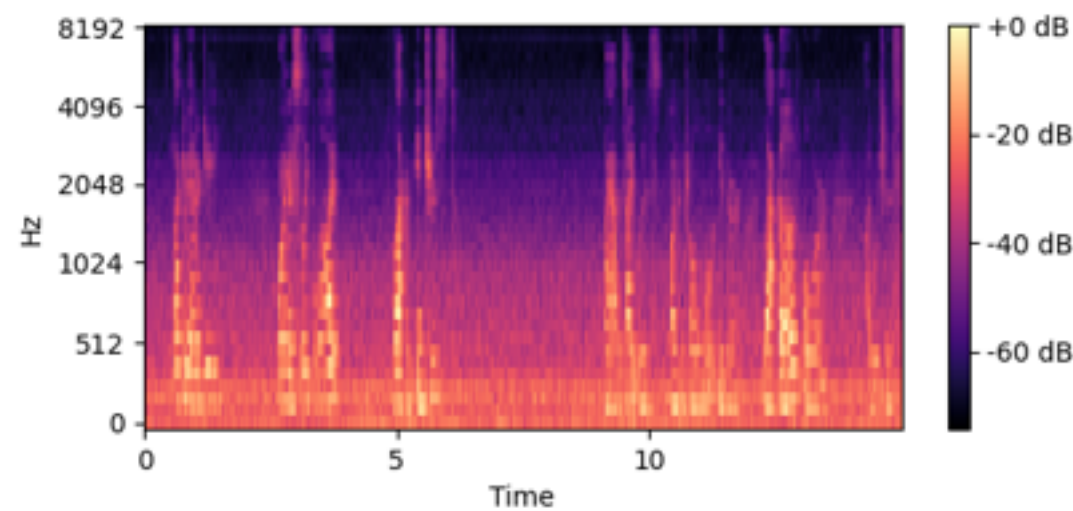

I was always wanting to sleep, like an interest. I've gone to therapy. It has been useful for me in the past. Is it useful for me now? I don't know. I don't have health insurance.

**Segment 19 | Probability: 0.5056**

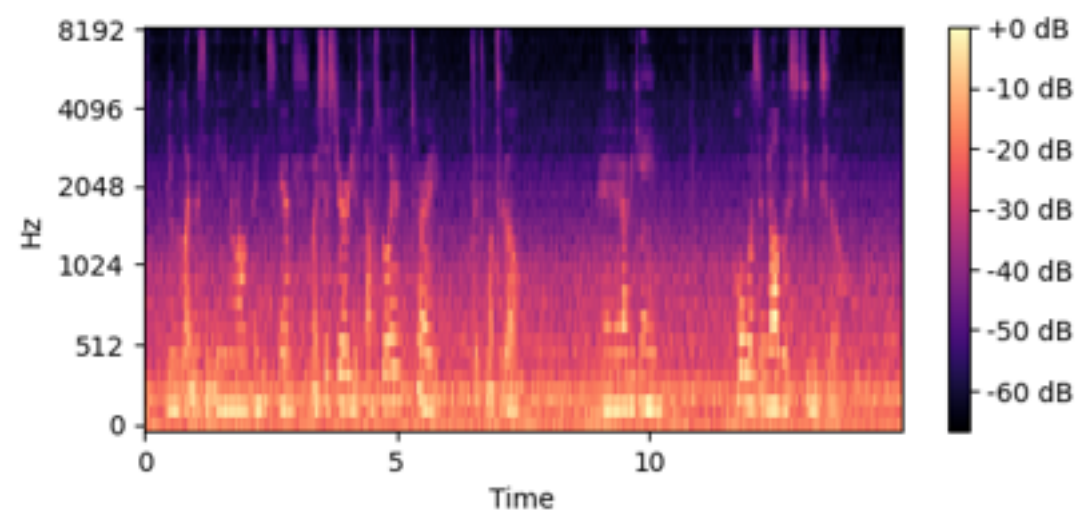

I would love to talk to someone. I just feel like I don't have anyone. So I don't depend on anyone. Oh yeah. I've always felt depressed in my life.

**Segment 20 | Probability: 0.5618**

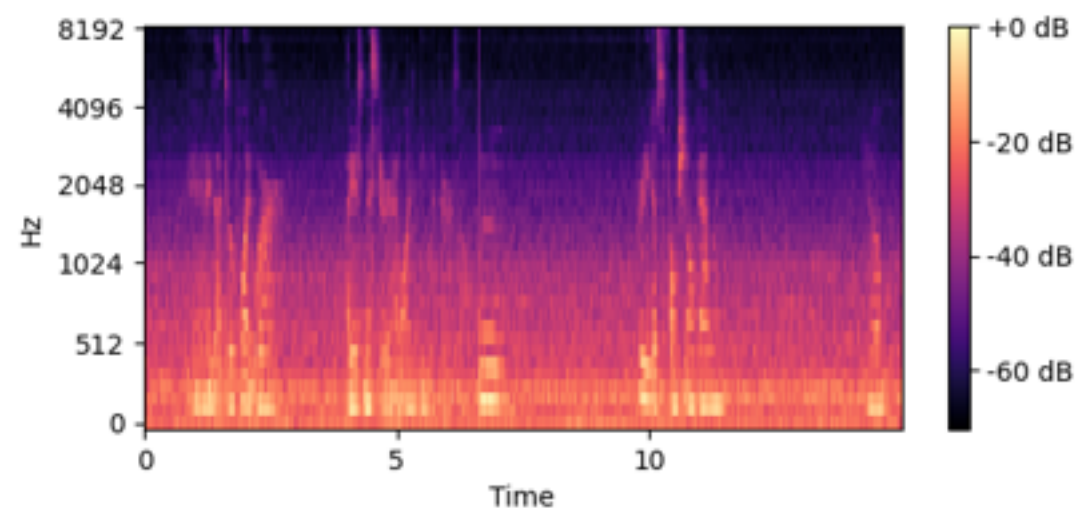

lack of energy, wanting to sleep a lot, lack of interest. My appetite was uncontrollable, either lack of or I wish it.

**Segment 21 | Probability: 0.4354**

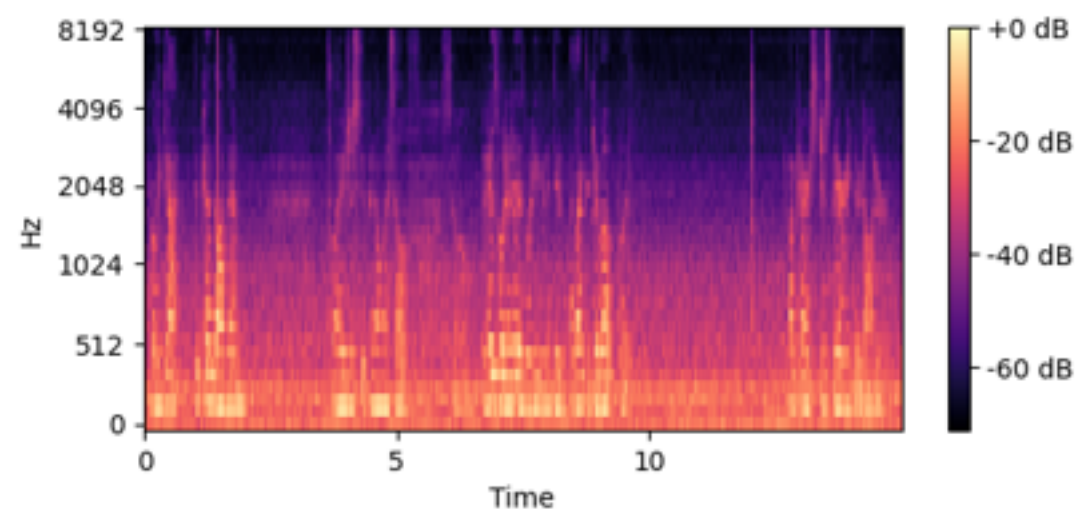

being gluttonous and eating the wrong things. Yes, my sister just passed away. It's alright, six months ago. And I became homeless and jobless two weeks ago.

**Segment 22 | Probability: 0.3430**

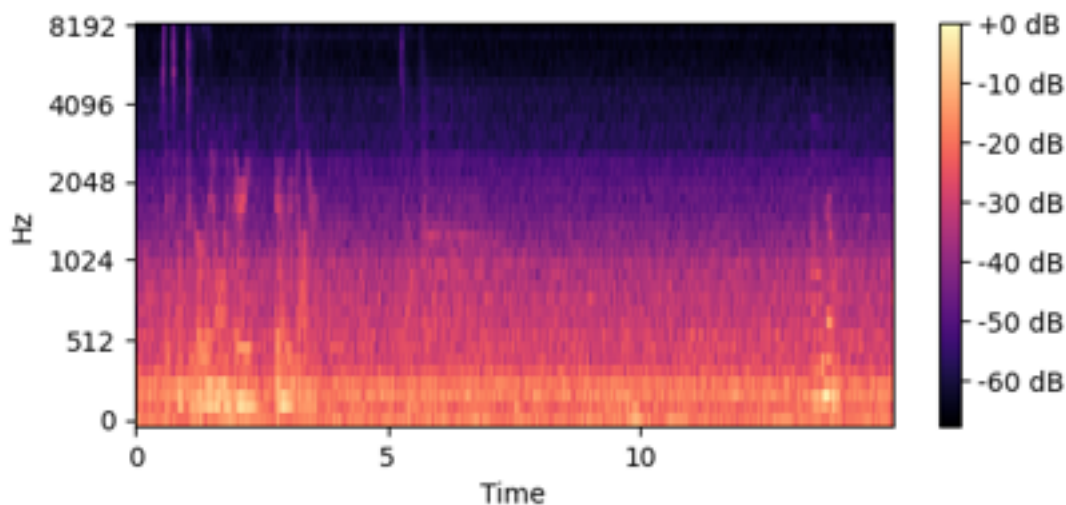

And I got to a point where I just missed her and I wanted to be with her. Pretty just a functional family.

**Segment 23 | Probability: 0.4030**

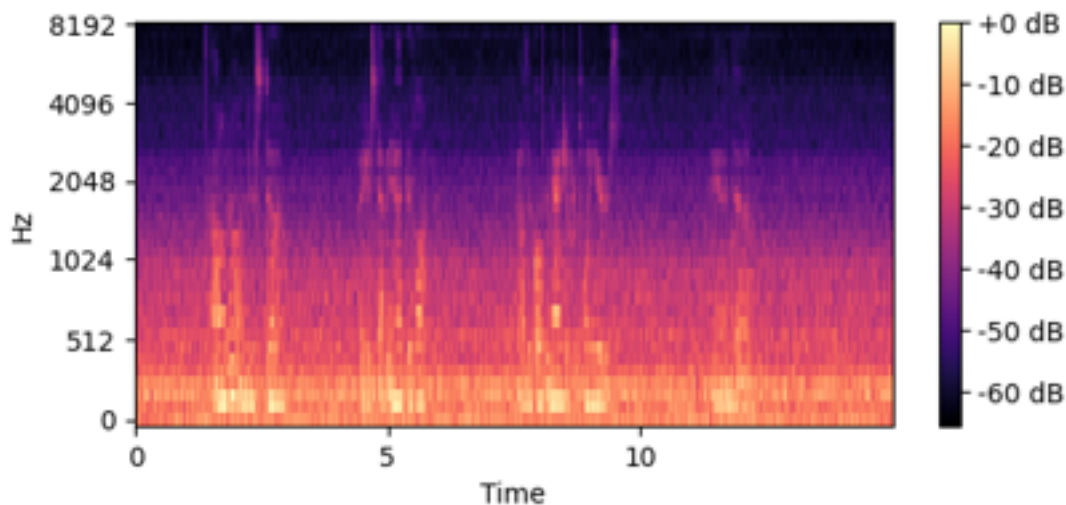

really can't depend on them. That's why I just depend on myself. It is what it is, what are you going to do? I'd like to give up, but my parents just buried their daughter.

**Segment 24 | Probability: 0.3801**

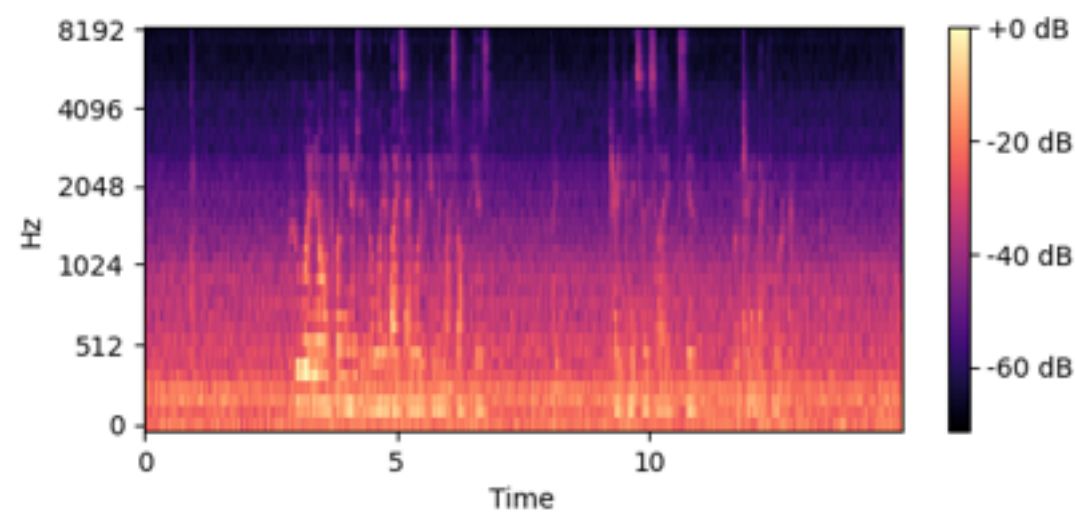

Six months ago they don't want to bury their other daughter. I don't know.

**Segment 25 | Probability: 0.3795**

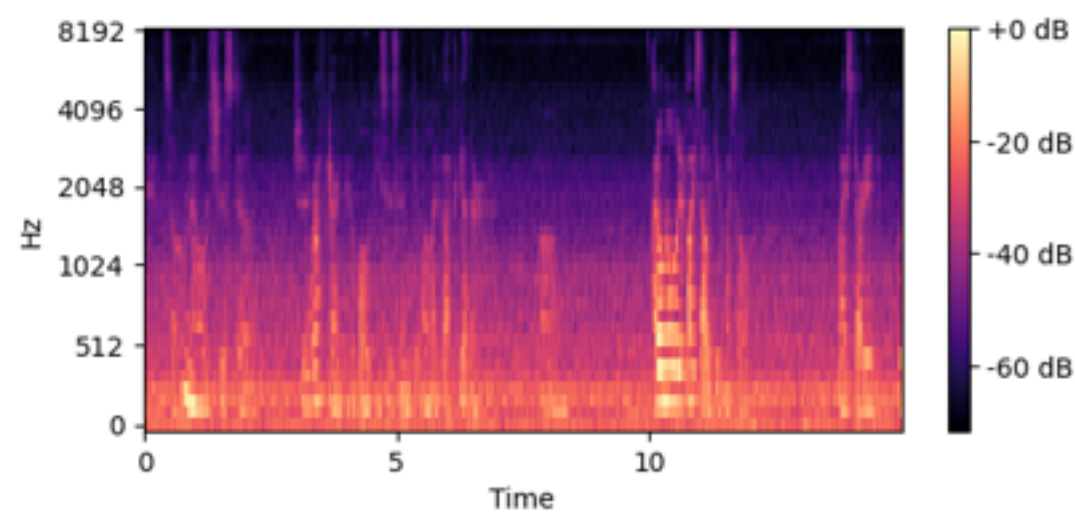

I don't know, I just, I just haven't had good luck. I was a corporate manager for 20 years. And, uh...

**Segment 26 | Probability: 0.3036**

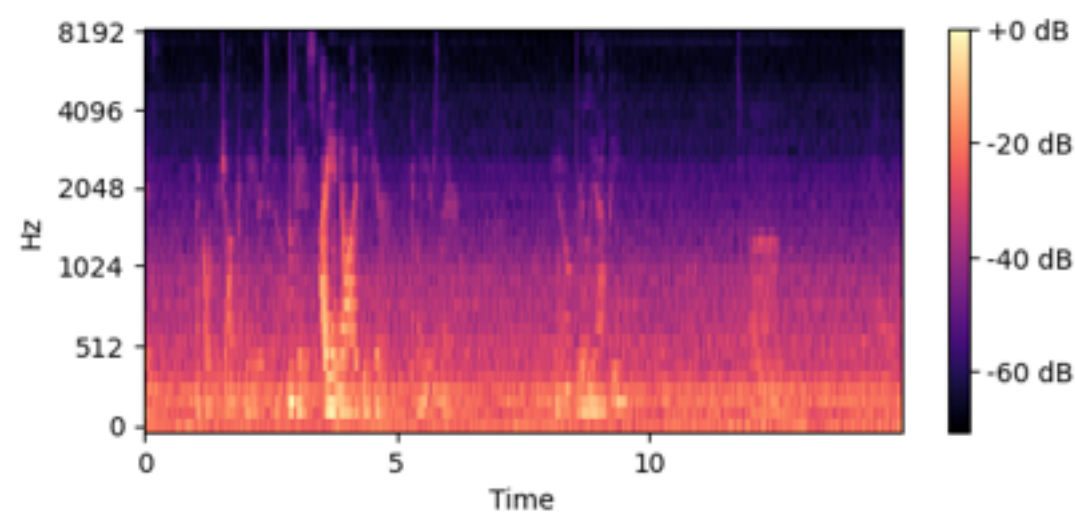

Who would have known 20 years ago what advice I would have given myself because I tried to commit suicide so I would have been returning back to work.

**Segment 27 | Probability: 0.3725**

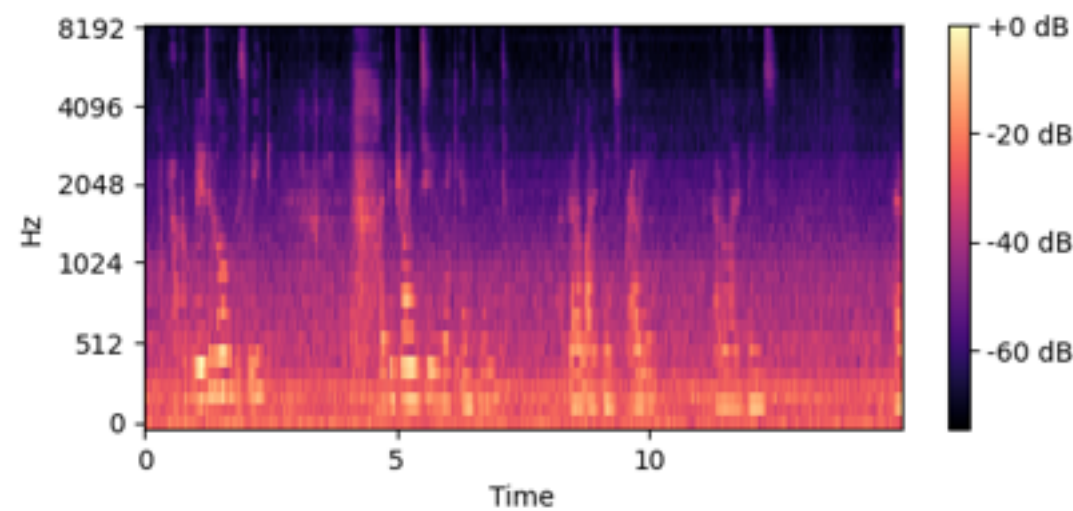

So now it's just, it shouldn't rough try to pick up all the pieces and get my life back together. I don't know what advice I would give myself when I started.

**Segment 28 | Probability: 0.2261**

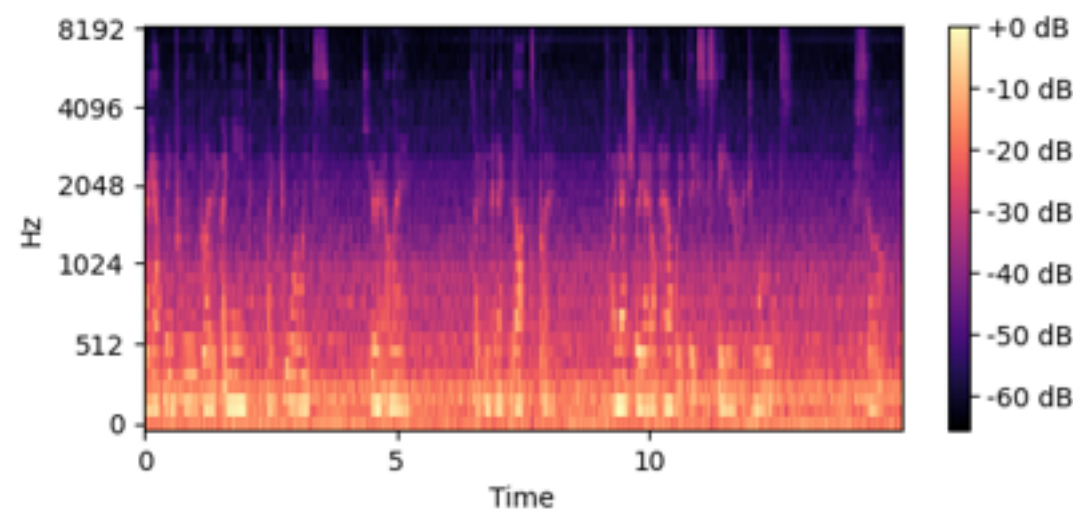

with my corporate job 20 years ago. In case I didn't know I'd be here 20 years later. Really happy.

**Segment 29 | Probability: 0.3005**

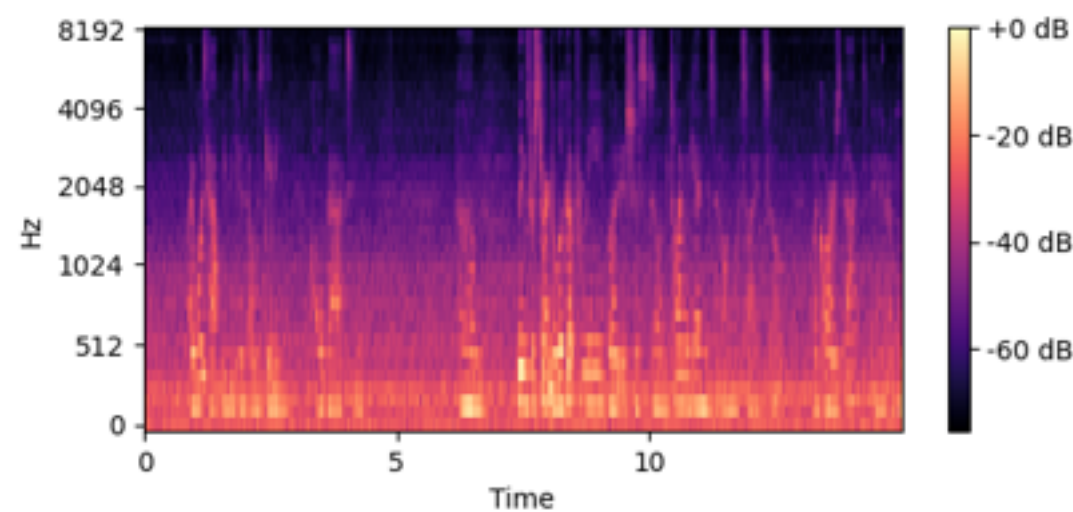

a couple days ago this week I've been trying to make ends meet I've got a lot of things proud of you

**Segment 30 | Probability: 0.4125**

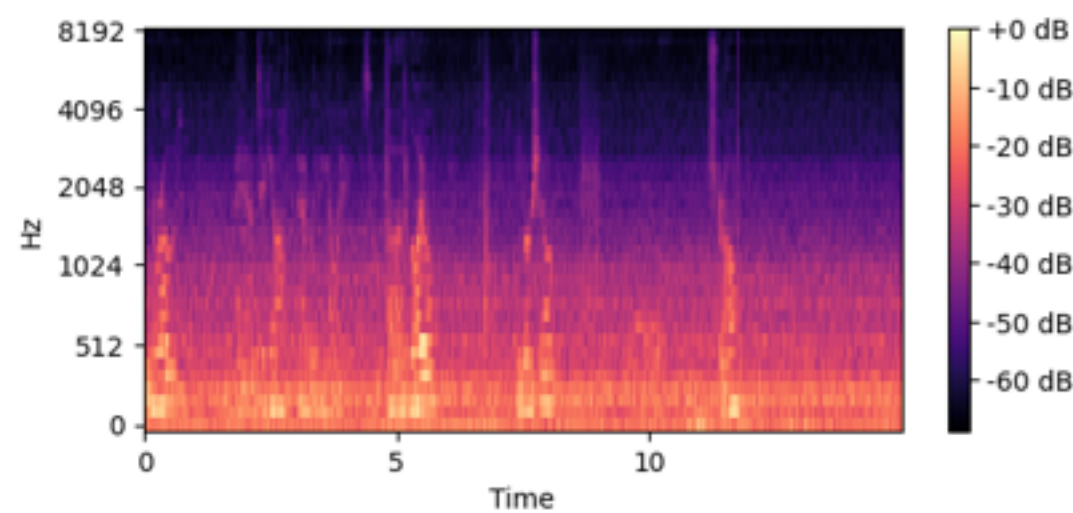

happening for me but I need like two more weeks here in LA so I can connect the dots but financially I don't have what it takes to stay here for two more weeks.

**Segment 31 | Probability: 0.3125**

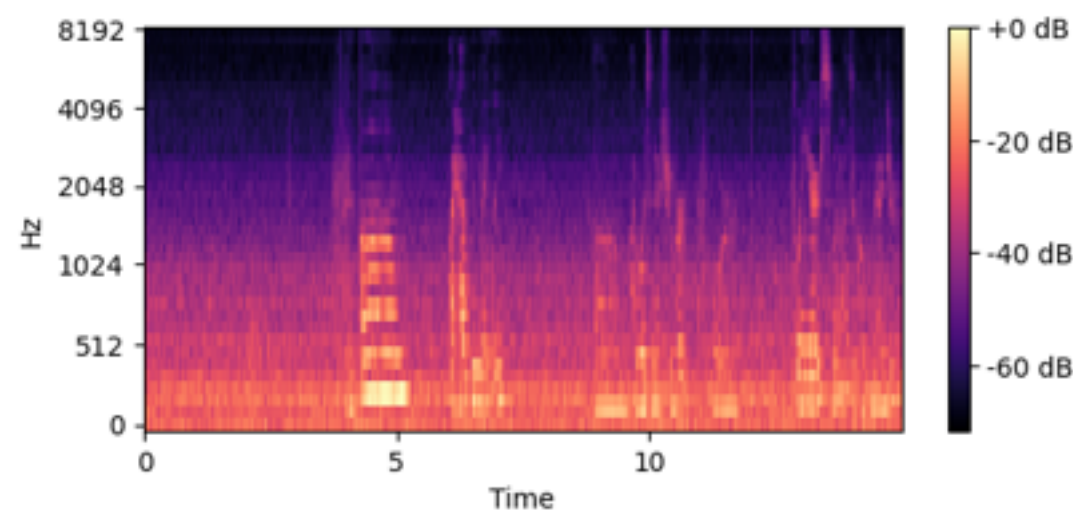

I was happy because I was getting callbacks. Things were starting to look up for me, but it's just time again isn't on my side. So my car is packed.

**Segment 32 | Probability: 0.3562**

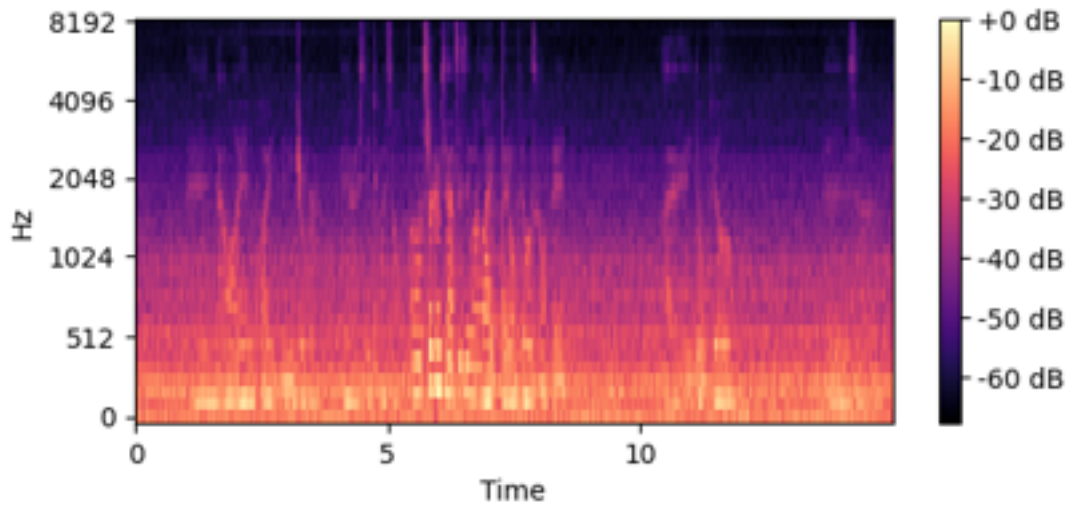

I'm taking off and I'm leaving LA. Loyal, emotional, strong.

**Segment 33 | Probability: 0.3980**

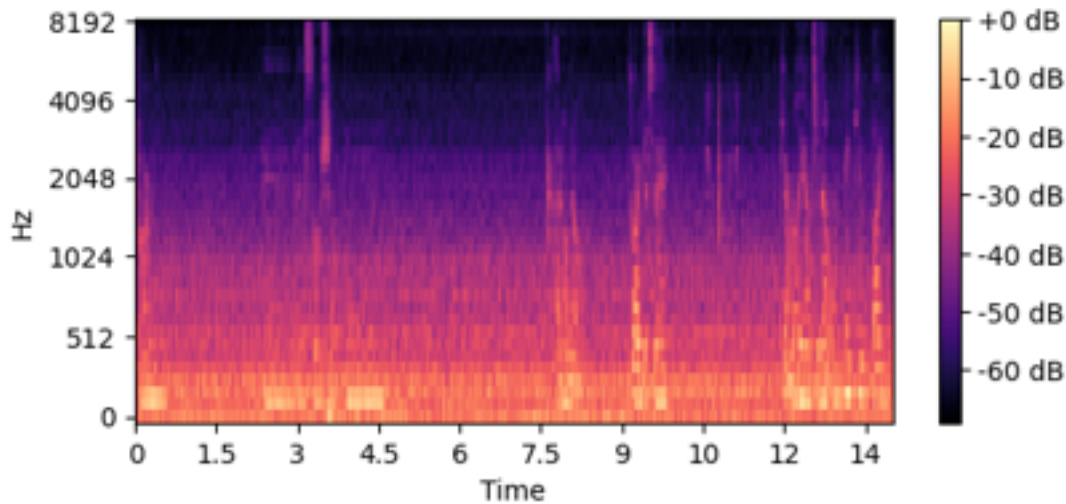

I have been lately. I was an extrovert for 20 years when I was a corporate manager.

**Segment 34 | Probability: 0.4103**

And now I'm quite in each other and I stay to myself. Circumstances in my life I don't feel as confident. I don't feel as...

**Segment 35 | Probability: 0.3757**

I don't know. It's hard to say. I can't really answer that one. Thank you. Bye.
