Final Classification: Not Depressed

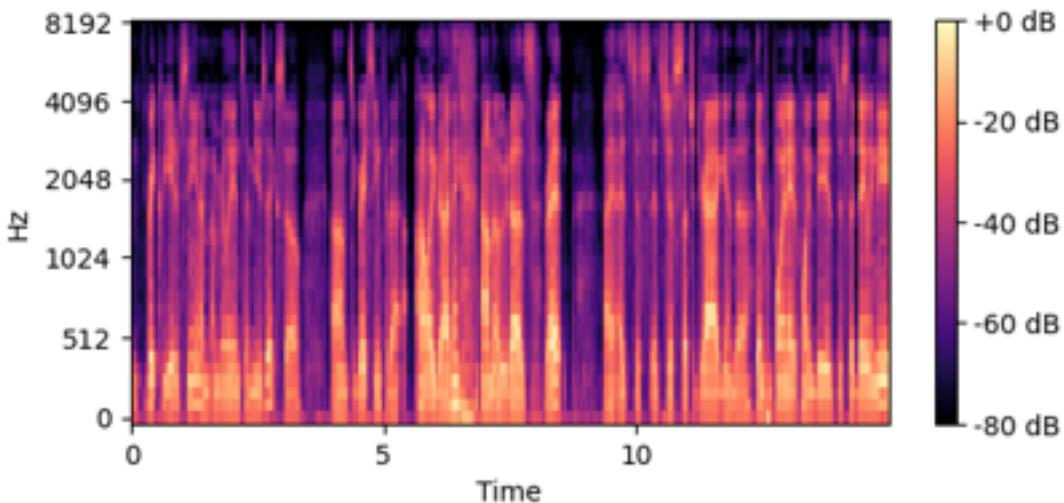

Final Probability: 0.4910

Segment 1 | Probability: 0.4635

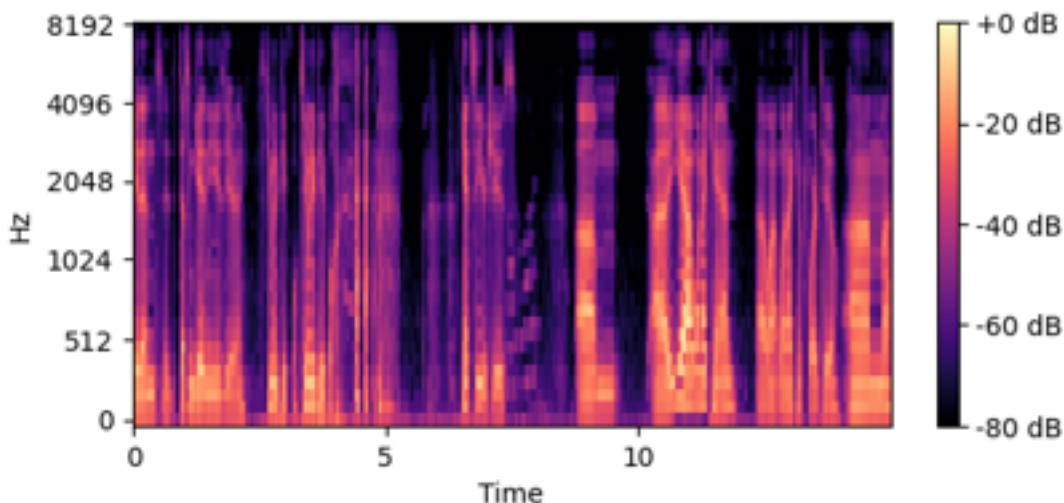

Yeah, I am. Good to moderate. Los Angeles. Yeah, I'm from... Just a lot of different kinds of people and I love the weather most of the time and I'm...

Segment 2 | Probability: 0.4774

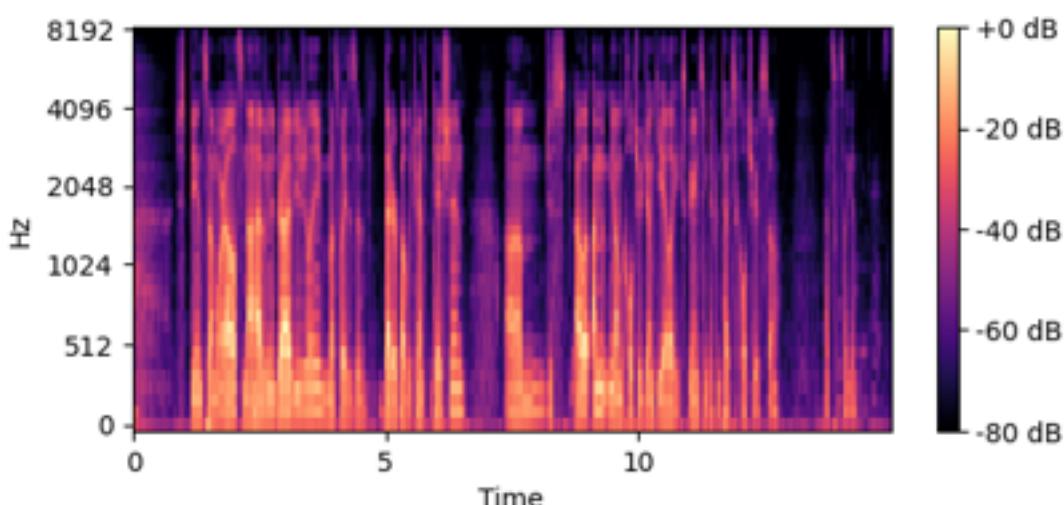

Great creative scene. I'm really into music so It's a great scene for that. I don't like driving. I don't know who does right? It's just it's just such a drag and getting from point A to point B is just a daily need

Segment 3 | Probability: 0.4940

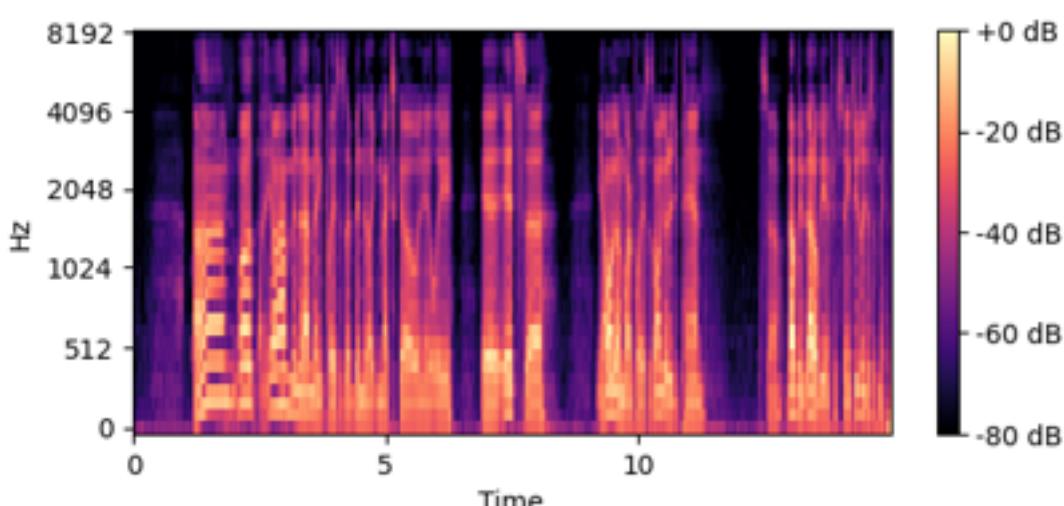

and it doesn't get any easier. Too many people. Too many people. I can't see your shoes. Yeah, one I can afford to.

Segment 4 | Probability: 0.4613

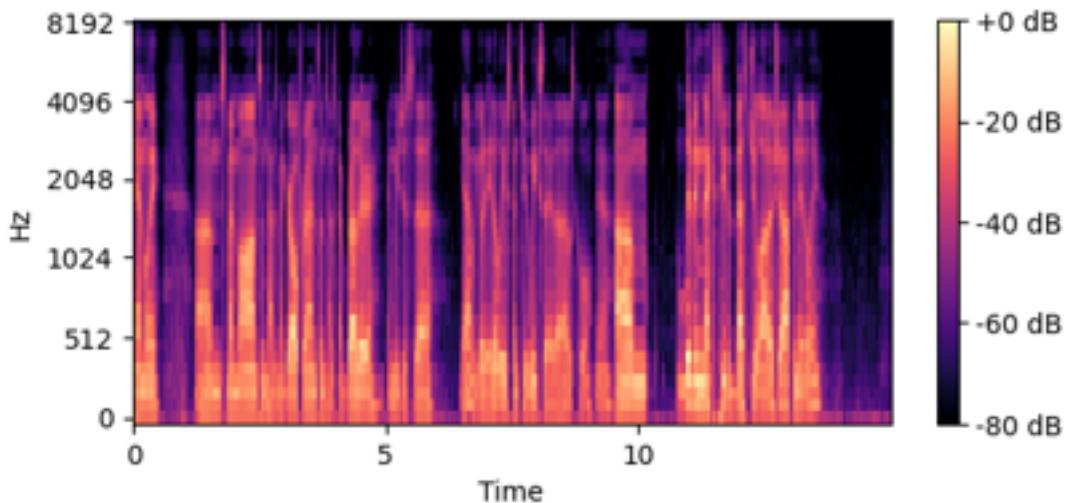

Just being somewhere else, not having to drive usually. Most places have better public transportation. I'm a culture junkie, I like experiencing different types of cultures.

Segment 5 | Probability: 0.4518

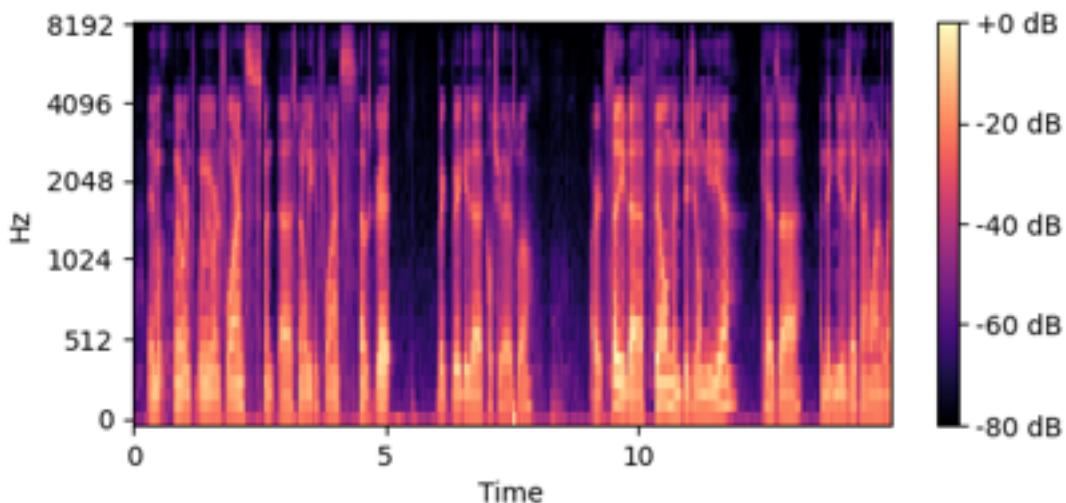

I haven't been to that many places. I've been to Mexico and Italy. I won't go to more places. I won't go to Japan. That'll be interesting. It's usually just my favorite.

Segment 6 | Probability: 0.4124

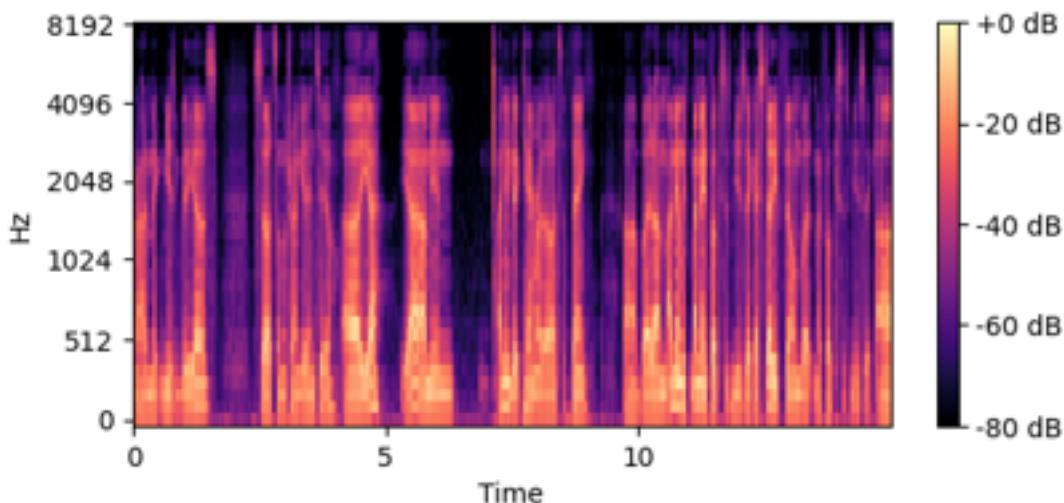

family, it's my mom, sometimes my girlfriend, sometimes my brother, and we just, yeah, we go to Italy, we spent two weeks there though, that was cool, yeah. Living next to the best gelato shop in Italy.

Segment 7 | Probability: 0.4067

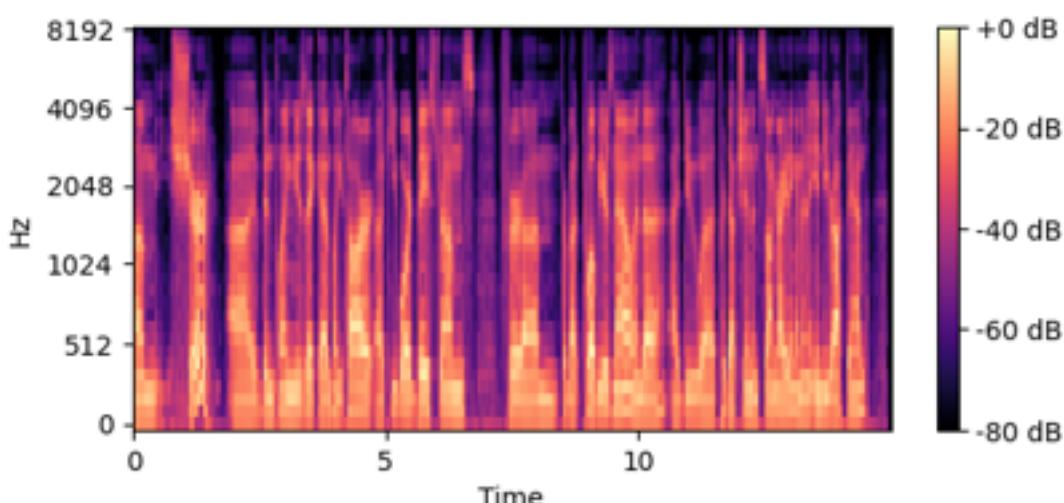

When we were in Florence, spent a week in Florence. That was great. Very good culture there as well. I studied film and digital media because I make music and I wanted to learn...

Segment 8 | Probability: 0.4915

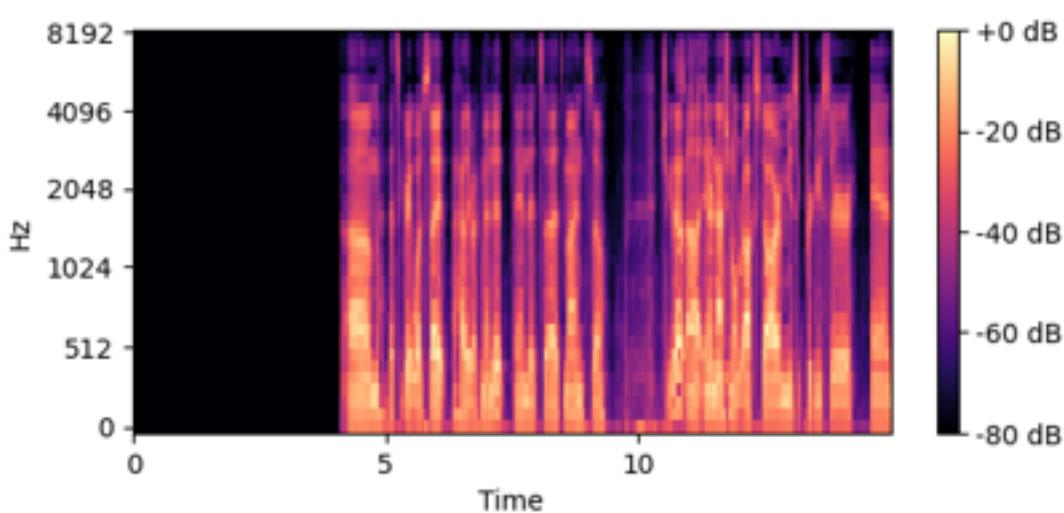

how to make music videos so it's something trying to get into. Uh yeah, yeah I mean I need to get a camera though that's the thing but um I mainly my main focus is music I studied film but my focus is music.

Segment 9 | Probability: 0.4751

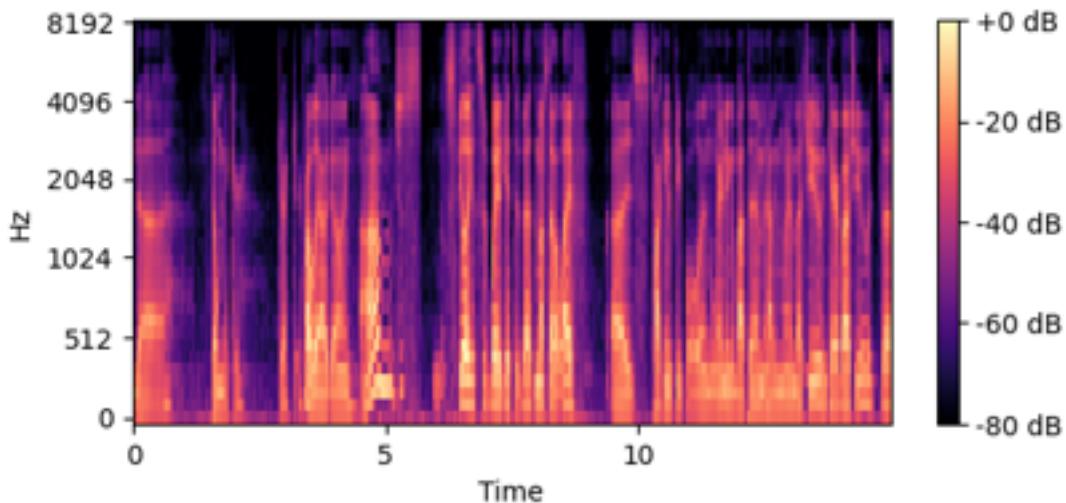

Sure, I've been playing music, I'm playing guitar, keyboard, bass, drums for about 12 years now and I do production and songwriting. I'm in an indie rock band.

Segment 10 | Probability: 0.4731

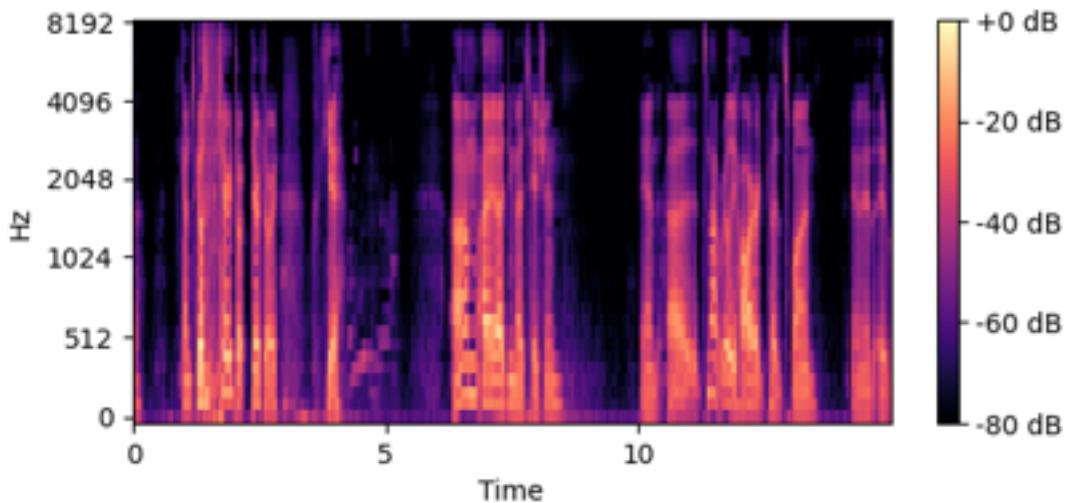

That's a great website, I highly recommend it and it's mine so check it out. International Rockstar Music Producer and

Segment 11 | Probability: 0.5227

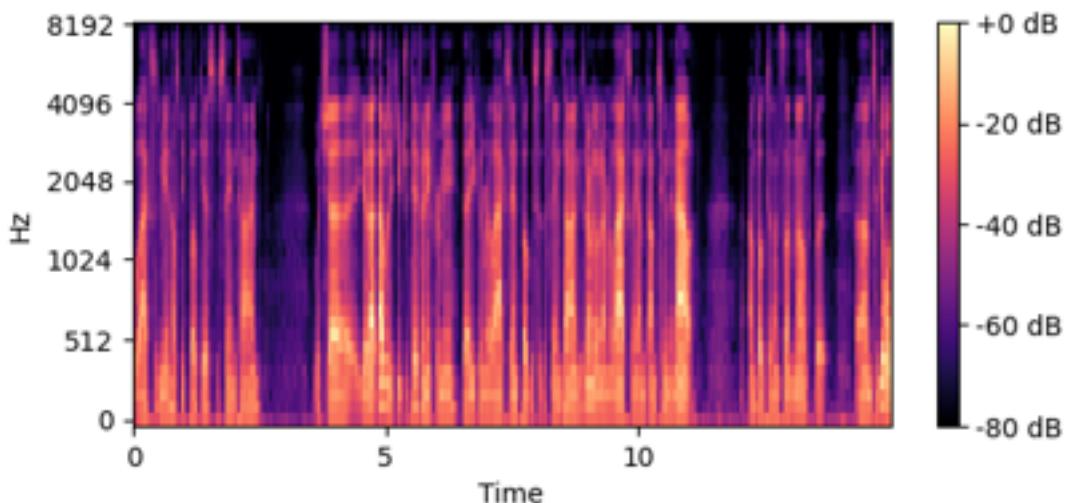

and a filmmaker, director. Probably outgoing. Um, just feel like it's a way to get the most out of life. Uh, just talking to people and learning about them and having them learn about you and care about you. It's a...

Segment 12 | Probability: 0.5039

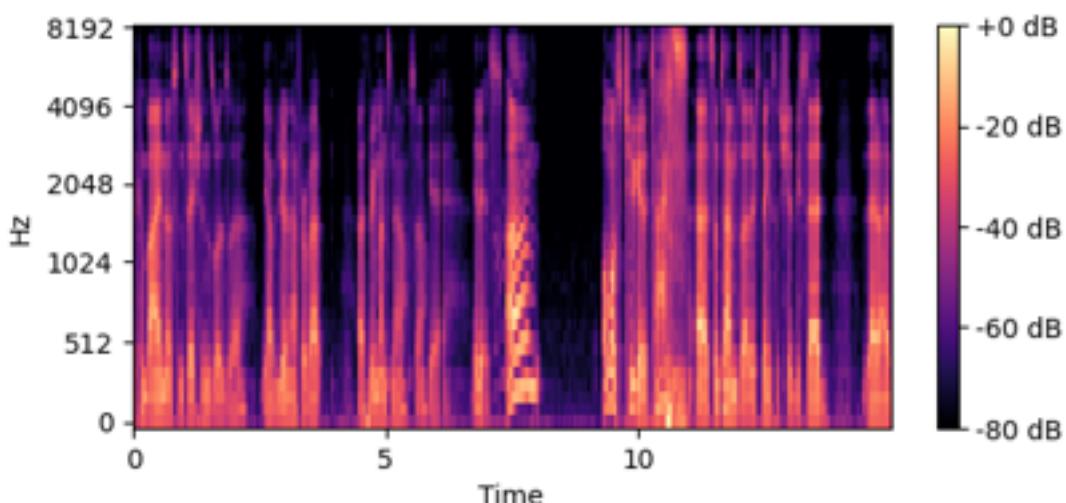

kind of just goes with the territory. Yeah. Um, I do meditation. And it's not really hard because it's fun. And it...

Segment 13 | Probability: 0.5550

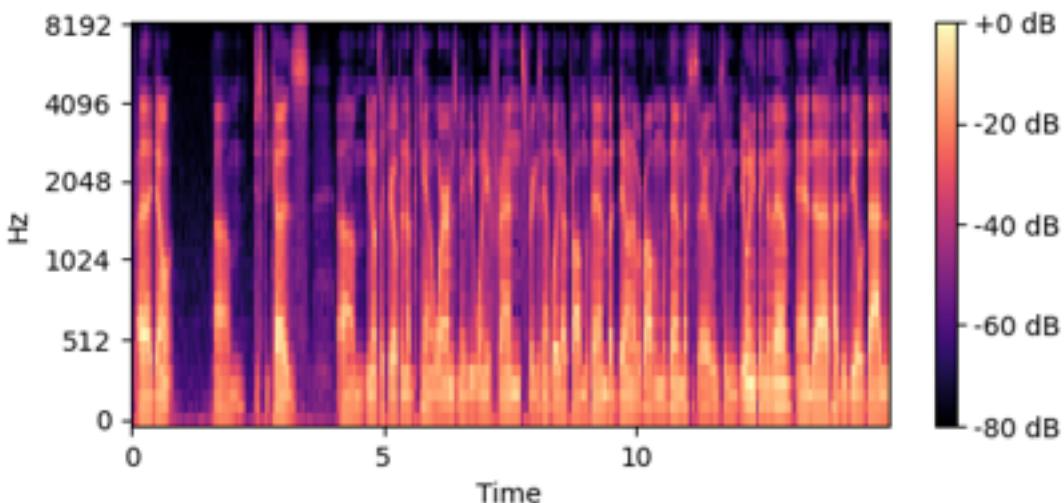

relaxes me and helps me focus at the same time. Which, that was a huge epiphany for me, that you can relax and focus at the same time. Because normally when I'm relaxing, I'm tuning out. I'm focusing on something else, but to be able to...

Segment 14 | Probability: 0.4981

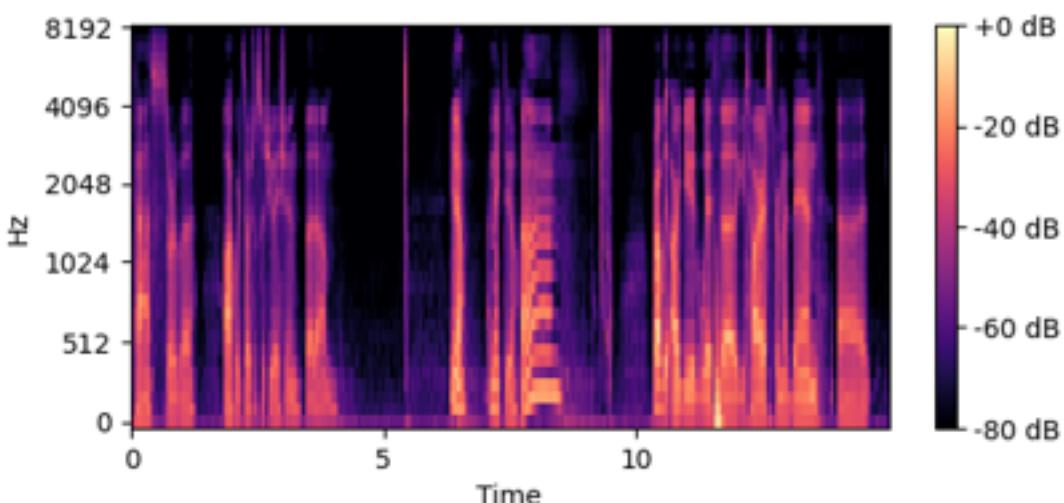

combined those sensations was uh... yeah i've been doing that for about uh... three months now so yeah it is um... almost to get it uh... sometimes uh... there's things that should be said that i've been

Segment 15 | Probability: 0.5280

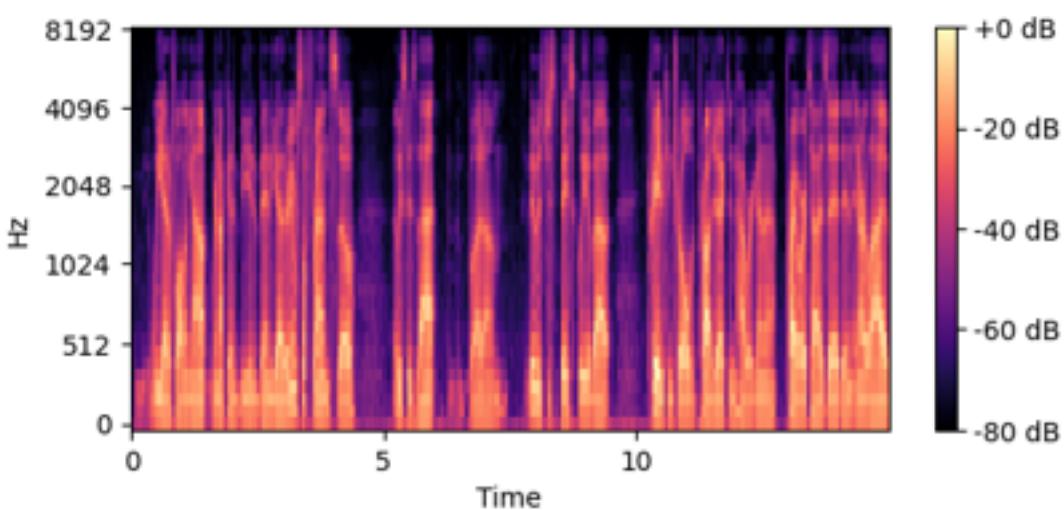

I don't just because you know it's like you're opening up can of worms maybe one of your friends for example you got a problem with him but they don't have a problem with him necessarily so you can do anything to them and I've had to deal with that

Segment 16 | Probability: 0.4169

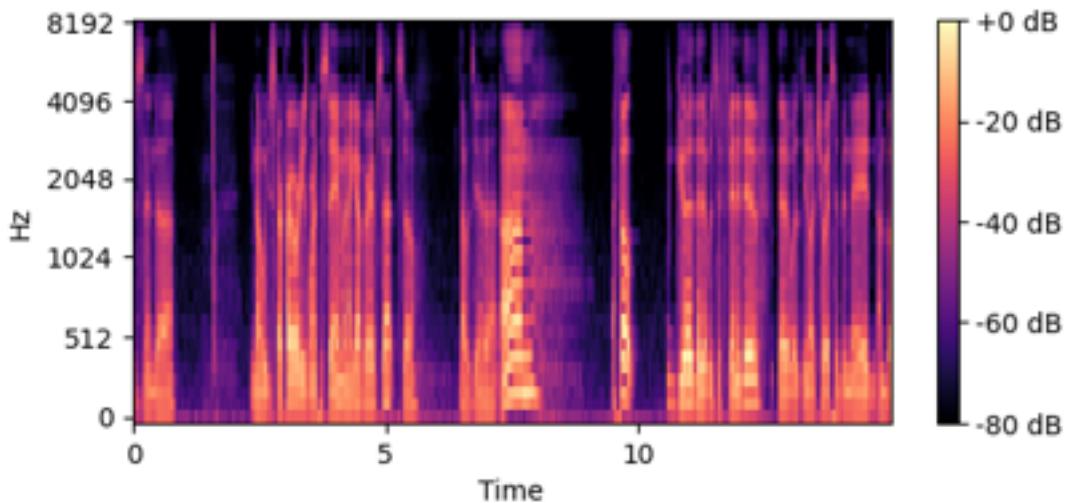

past sort of a awkward social situation but um you know I make do um probably argued with the guitarist for my band

Segment 17 | Probability: 0.4700

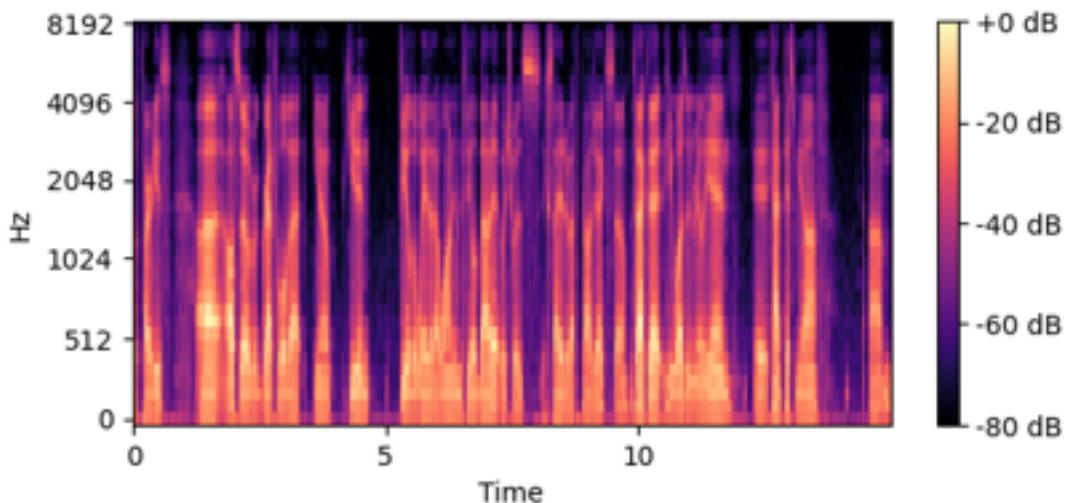

We had a falling out. We're not gonna be in a band together. I mean we're still friends, so at least there's that but It was just basically about Create a control of the project and how we're gonna prioritize it and in our lives

Segment 18 | Probability: 0.4302

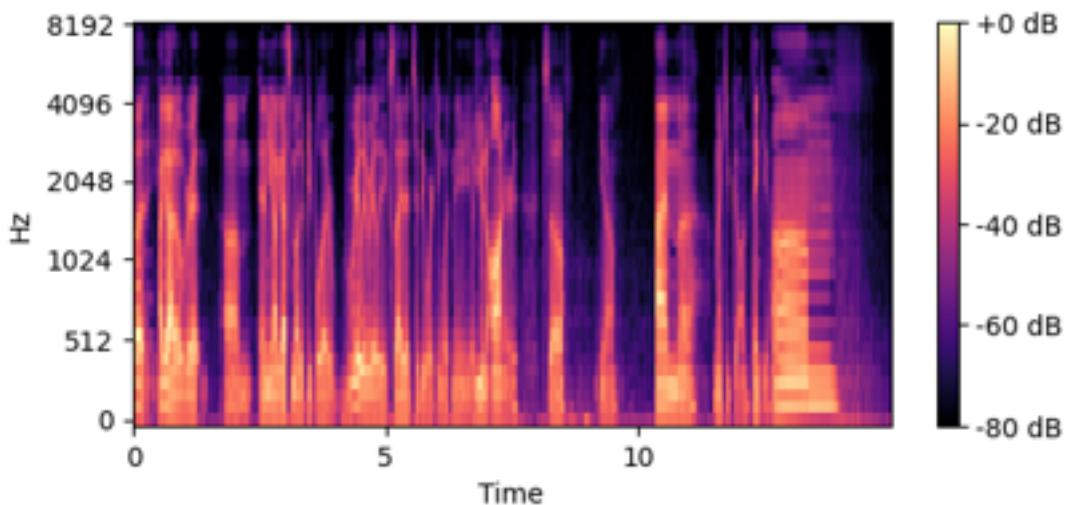

and uh... you know we start priorities weren't the same and i got very upset so that was the end of that um... i felt good that it was definitive that it was you know a choice had been made on both

Segment 19 | Probability: 0.4488

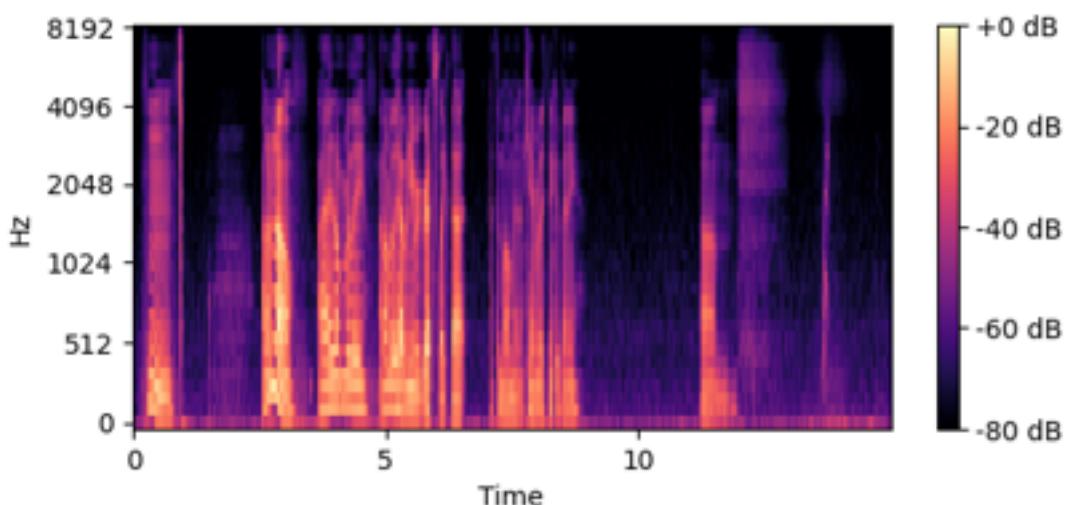

parties. Also regretful that you know he didn't feel the way that I wanted him to feel about it which was excited about the project so the fact that he wasn't really in it kind of pissed me off.

Segment 20 | Probability: 0.4450

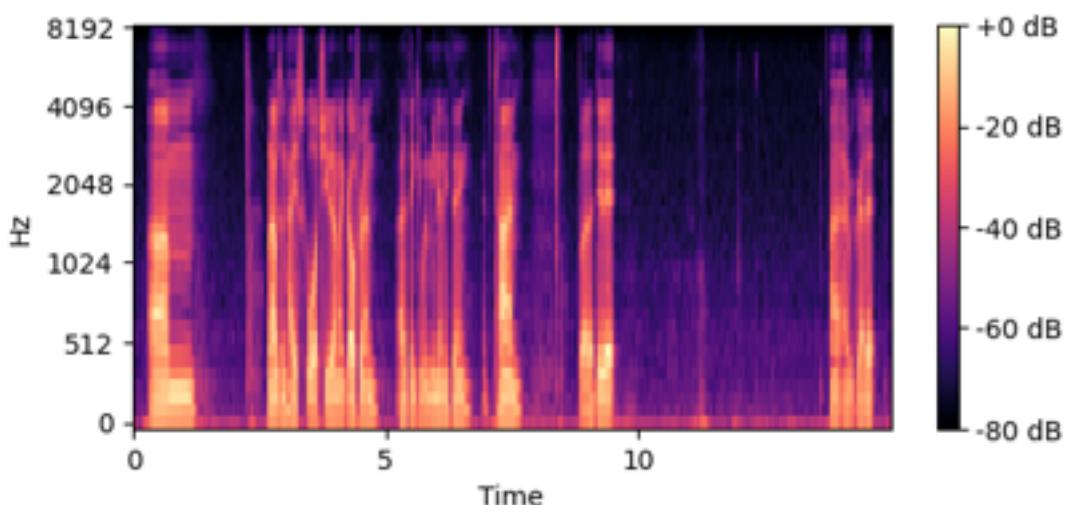

But I got over it. And I got some other people that are really, really excited to be working with me, even honored. So I'm going to keep going. Thank you.

Segment 21 | Probability: 0.4682

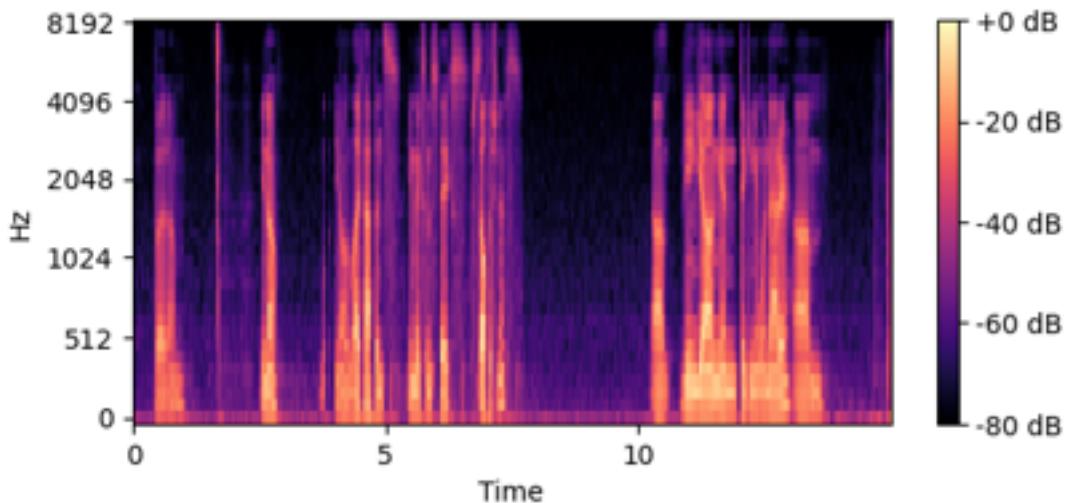

Hmm, I don't know. I don't really have any regrets like that at the moment. I can't really think of any.

Segment 22 | Probability: 0.4319

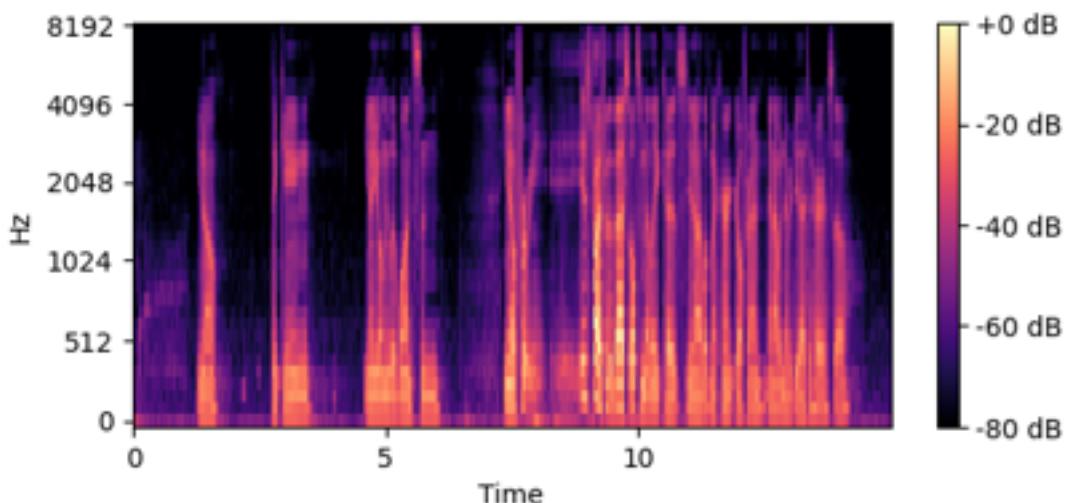

Um... When I was in high school I cheated on my girlfriend. I didn't think it would mean anything at the time But I did it I regret it

Segment 23 | Probability: 0.4266

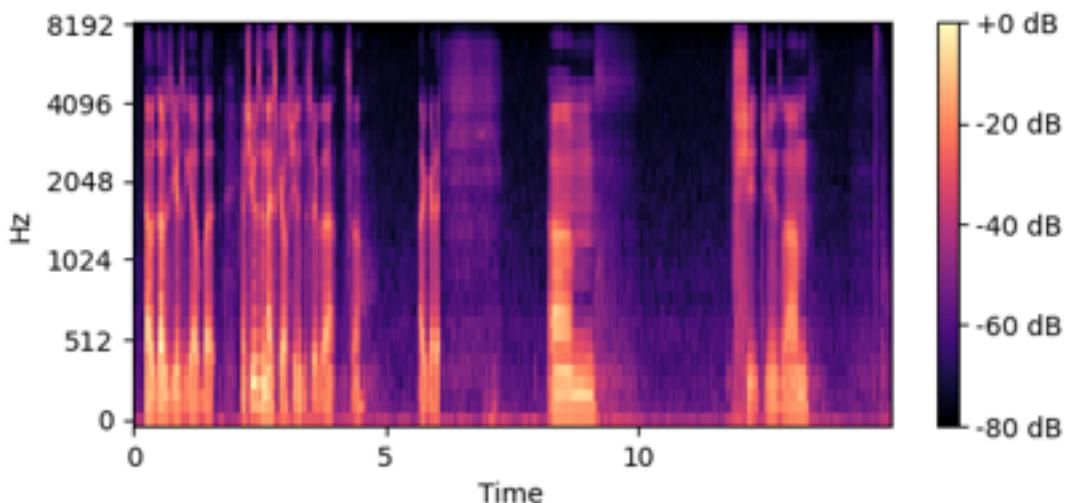

But, you know, life happens. You make some mistakes. Selfishness. Being young and thinking it wouldn't matter.

Segment 24 | Probability: 0.4132

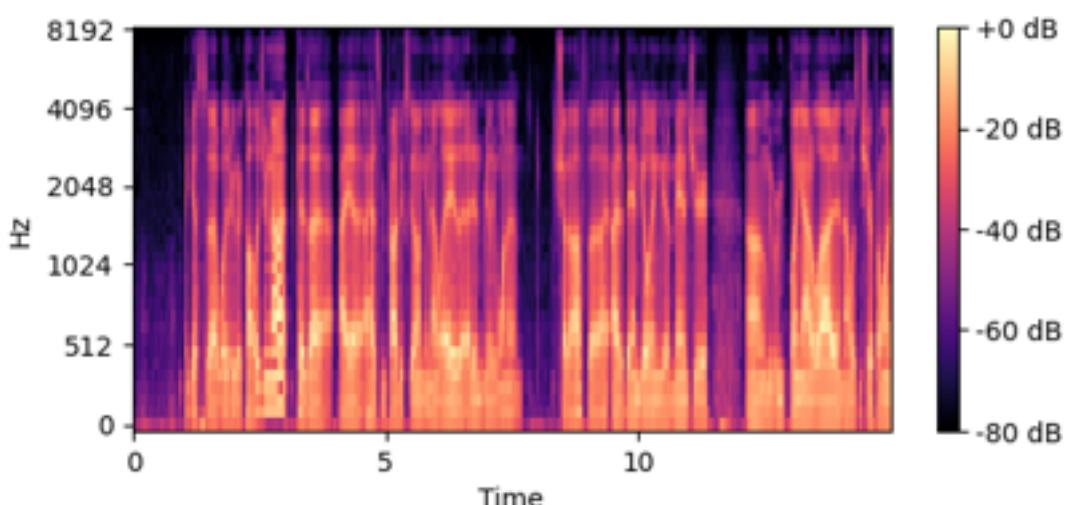

You know, thinking, you know, you only live once and you know, it's probably for the best ultimately because you know, I love my current girlfriend and I would never do that to her, so.

Segment 25 | Probability: 0.4486

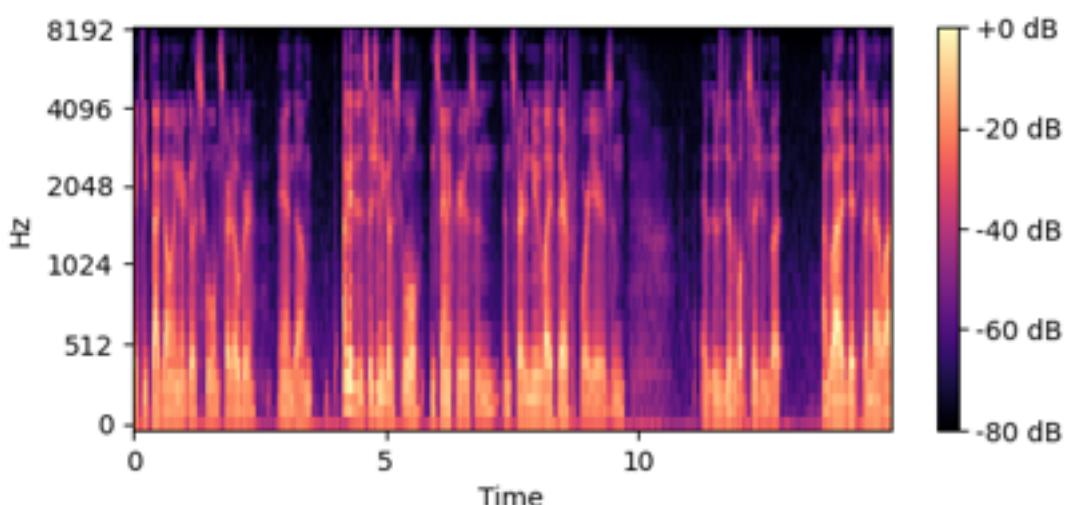

That was years ago, but she was a nice girl. She didn't deserve that so I regret it Shit Jews
um

Segment 26 | Probability: 0.4204

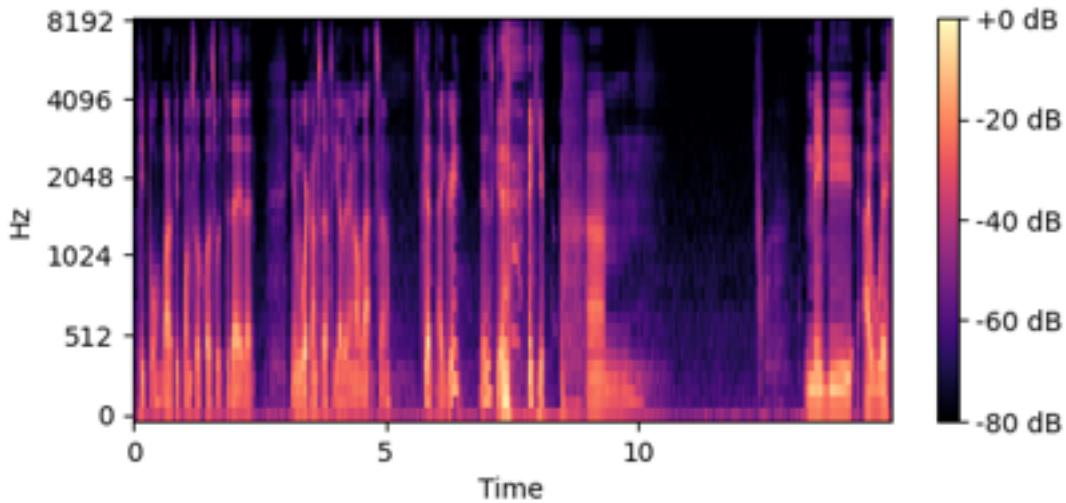

I guess whether to go to college or not because I had some projects going in LA that I didn't
really want to shut off. I had a band going, we had a manager, we were playing out a lot and I
wasn't sure if I wanted to...

Segment 27 | Probability: 0.3917

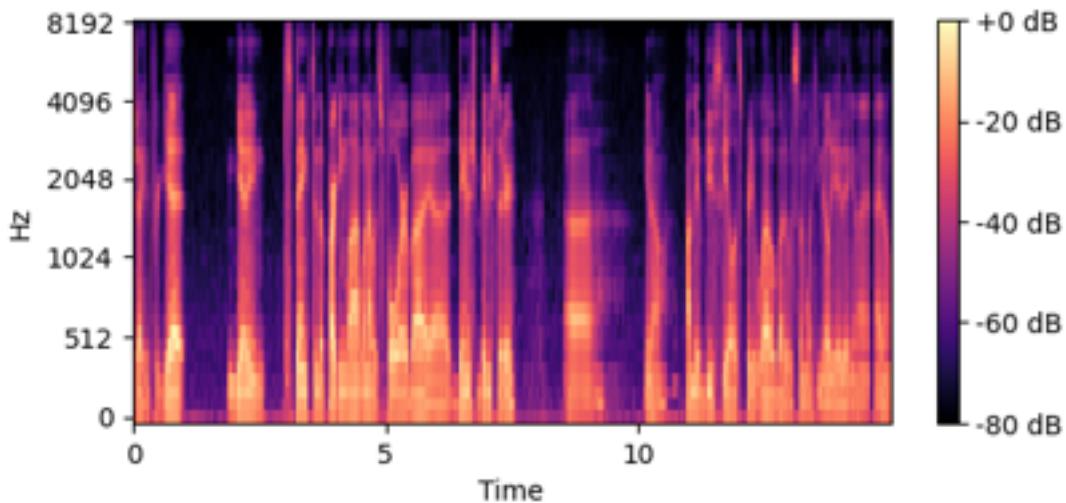

to keep that going or go to school and start over. And I made the decision to go to school in Santa Cruz and start a new life there for four years. And it was a difficult decision, but I'm glad I did because I met a lot of people.

Segment 28 | Probability: 0.4252

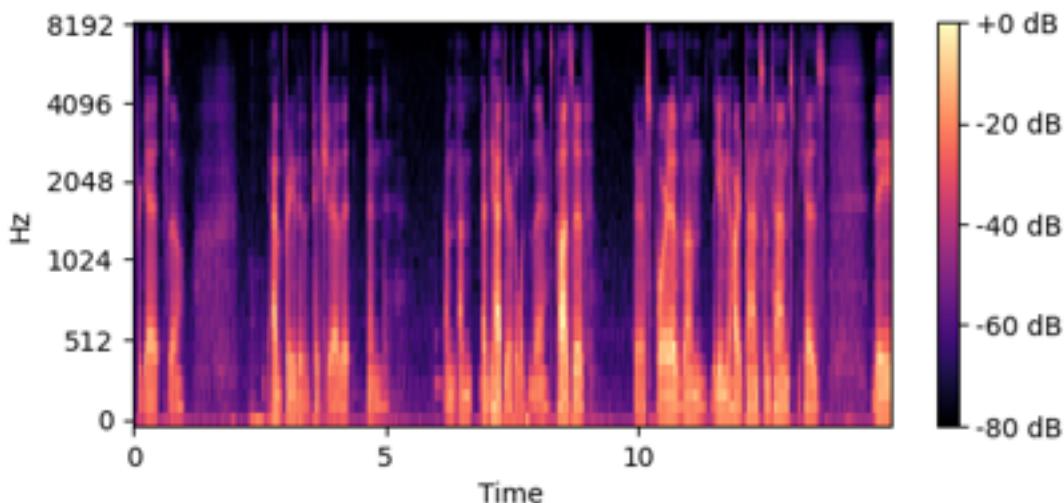

of people, a lot of people I'm still close with today that, you know, we work on stuff together and all that, so it's good. I agree. It is good. Thank you. Maybe I wish...

Segment 29 | Probability: 0.4788

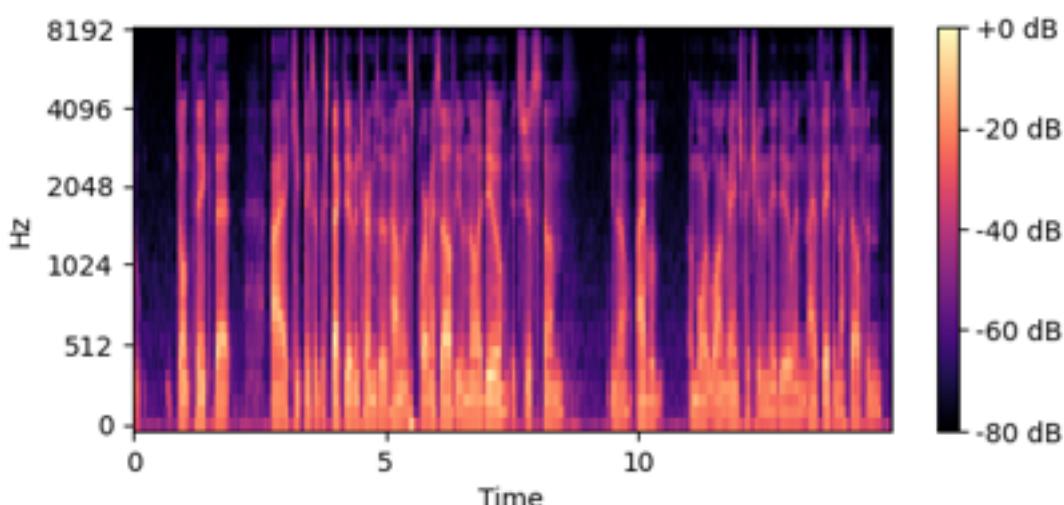

I could forget getting spanked in the parking lot when I was four by a Danish babysitter. On the abuse scale it's pretty low but it was somewhat humiliating and I don't-

Segment 30 | Probability: 0.5090

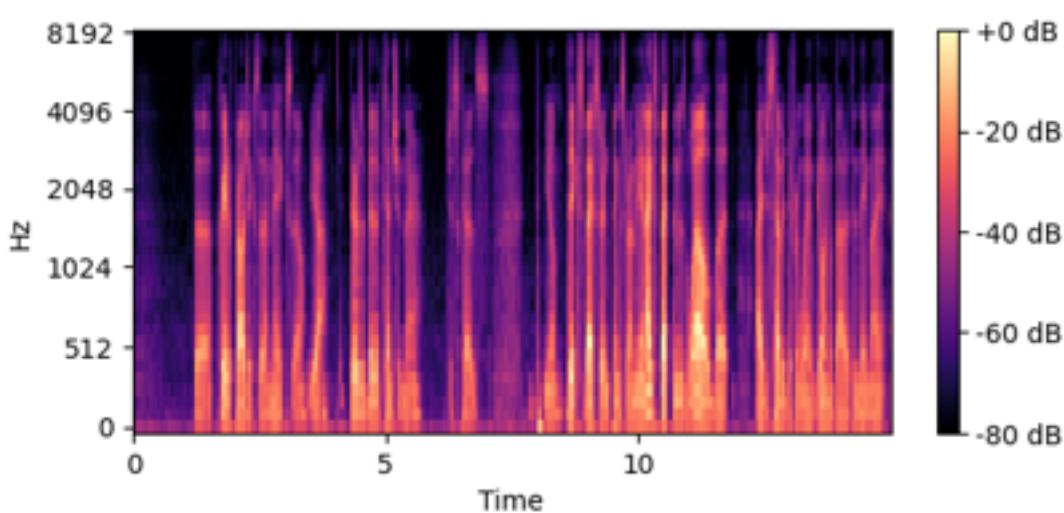

forget it so I have a pretty vivid picture of it and I'd be happier if it wasn't there. It's positive, they're supportive, they give me a hard time sometimes because they

Segment 31 | Probability: 0.5326

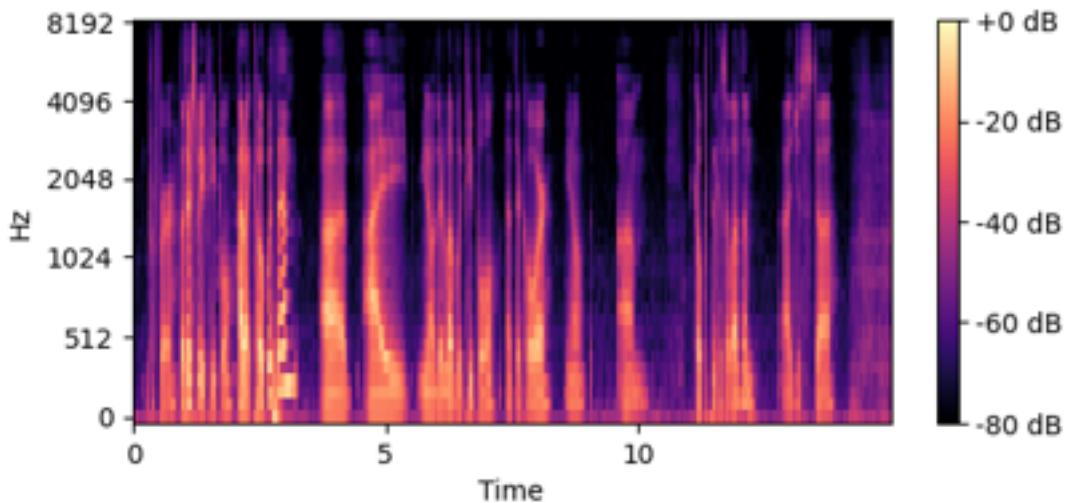

I don't think that I keep things in perspective in terms of how I'm going to support myself even though I do. It's just, you know, I have a more long range picture than they do and I have faith in myself and...

Segment 32 | Probability: 0.4922

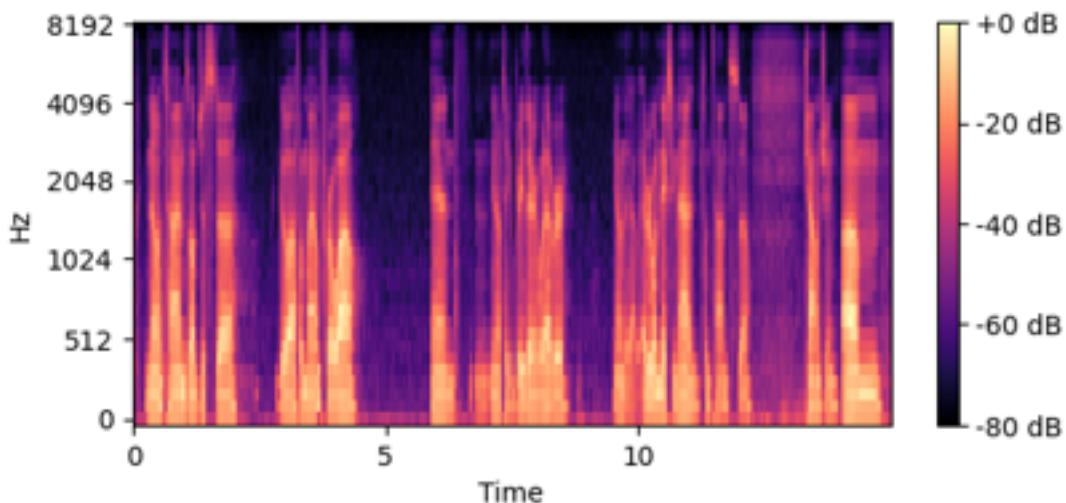

the creative projects that I make so yeah there's a bit of tension there just cuz you know they expect certain things from me and I expect them as well but I just have a different way of going about it than they might

Segment 33 | Probability: 0.4923

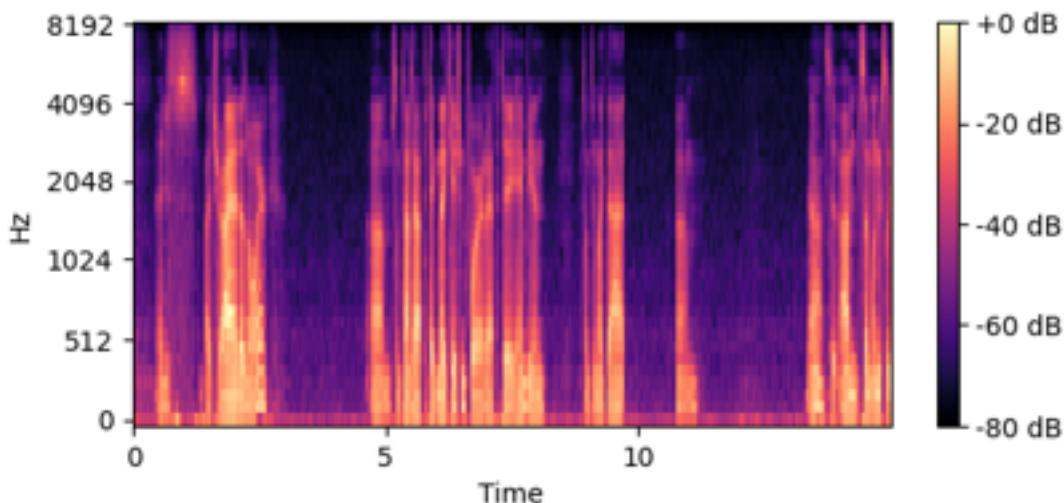

I prefer. But they're sweet people. How do I cope with them? They're lovely people at their core. I cope with them because I love them. I just...

Segment 34 | Probability: 0.5262

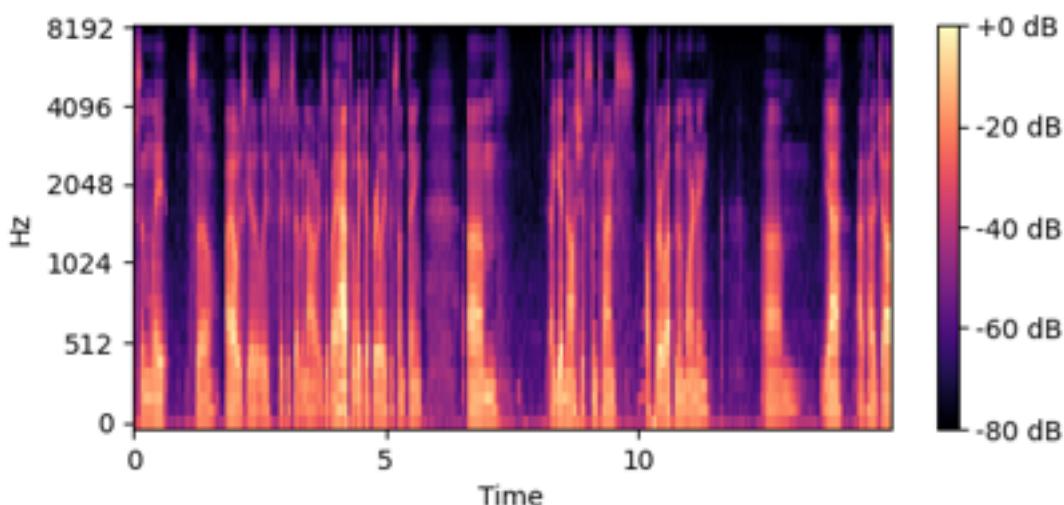

You know, times I'll just go off on my own for a while and take a breather or whatever.
Everyone makes you mad sometimes, so... Challenging. Um...

Segment 35 | Probability: 0.6130

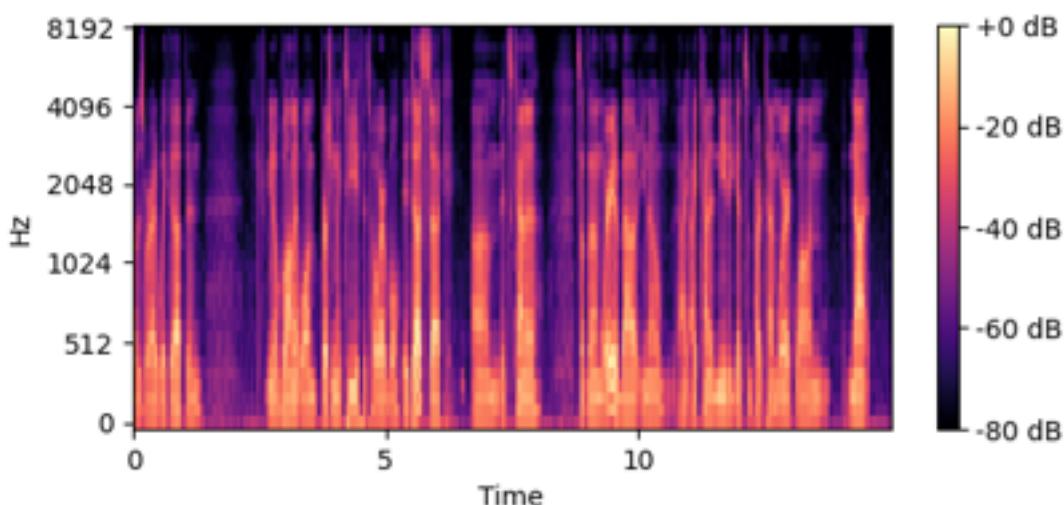

I just I try and it doesn't work Sometimes I have to take medication for it. I have to take Ambien something like that Yeah, I'm someone who sleeps

Segment 36 | Probability: 0.5319

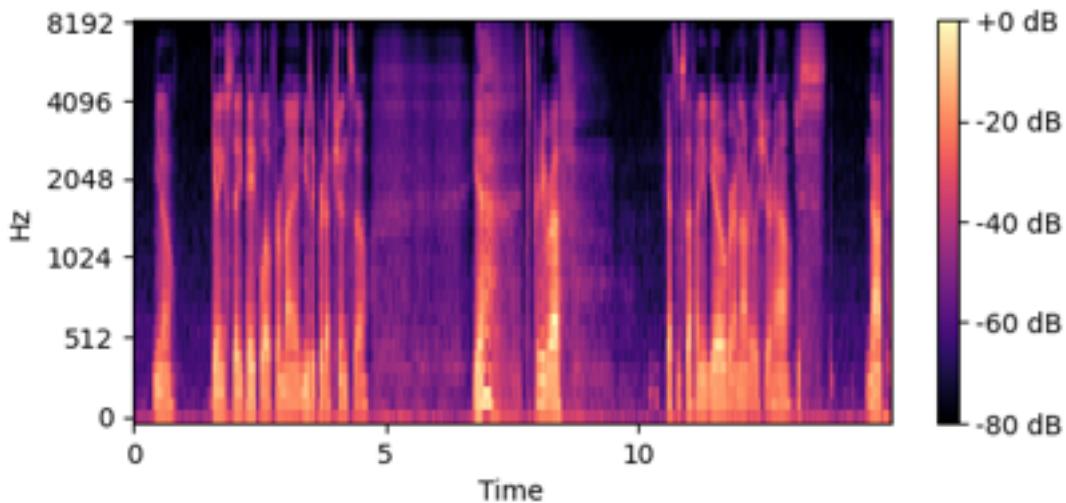

and late so I always get at least six or seven hours if I have to wake up early for something I get nauseous sometimes I'll throw up in the morning yeah I've had jobs

Segment 37 | Probability: 0.5632

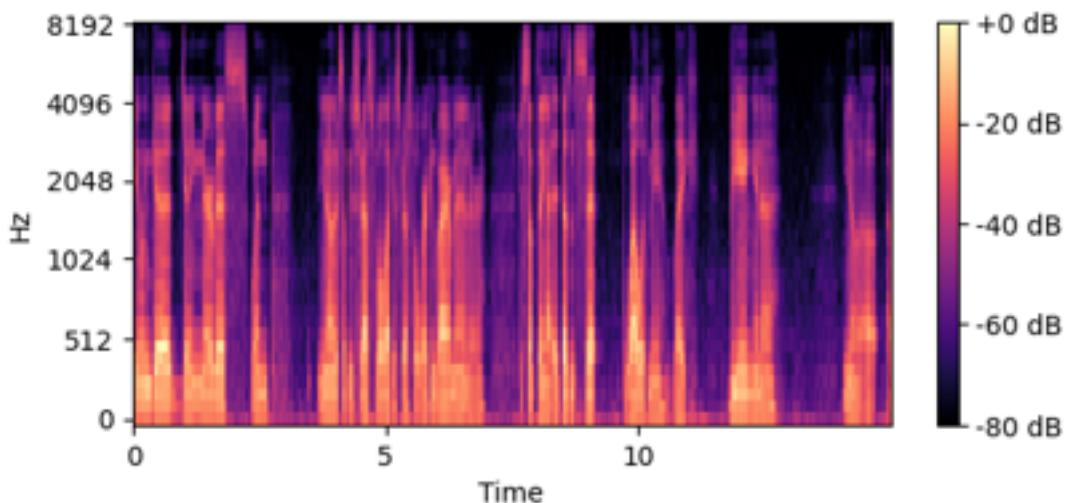

is where I wake up and you know vomit while I'm brushing my teeth it's horrible. It does suck. It's kind of something I'm worried about you know I kind of need to get some part-time work while I'm not

Segment 38 | Probability: 0.4911

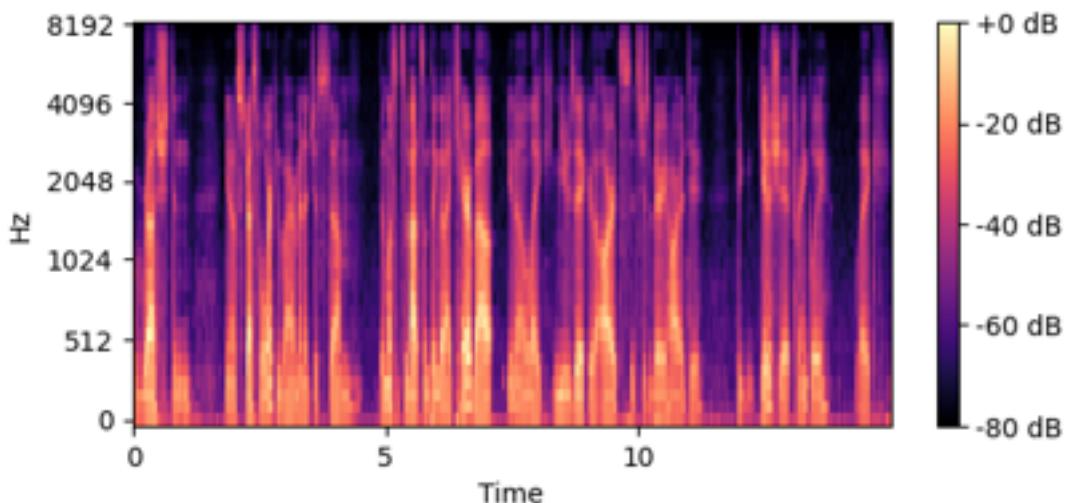

You know getting a steady pay flow for my music production, so Yeah, it's pretty rough Got some stuff I need to get over I'm not really sure how just not

Segment 39 | Probability: 0.5970

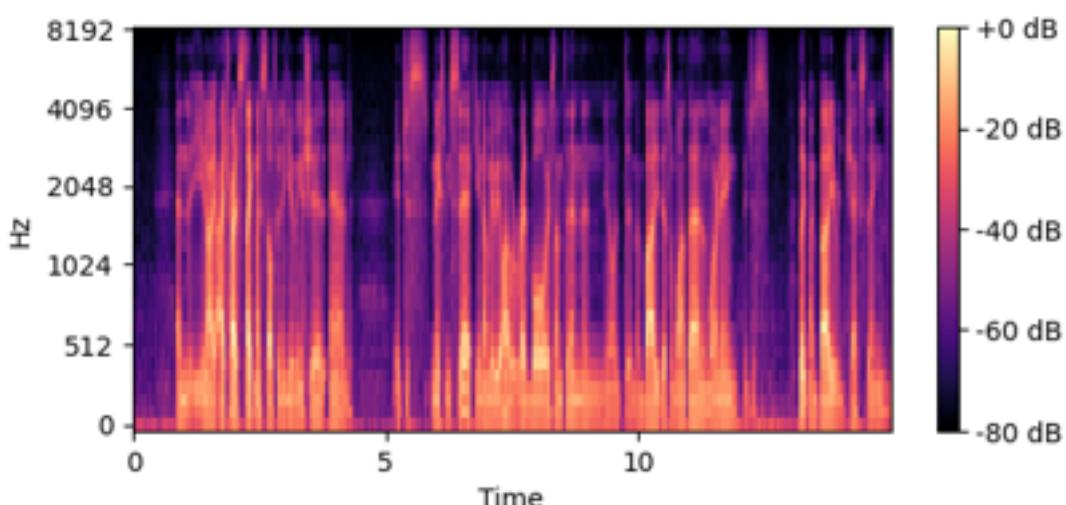

feeling good, getting nervous when there's something stressful like a stressful work environment or just something that doesn't sit well with me. Like being in a...

Segment 40 | Probability: 0.4779

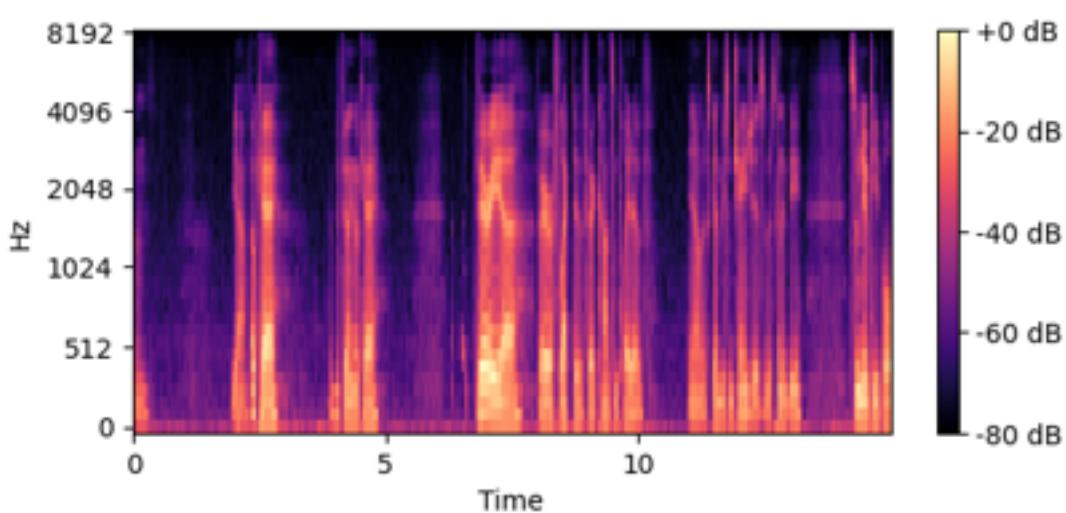

rushed and you know stressful work environment it just um unless it's about something that I care about You know like music or the arts. It's just very hard to To give a shit frankly like

Segment 41 | Probability: 0.5484

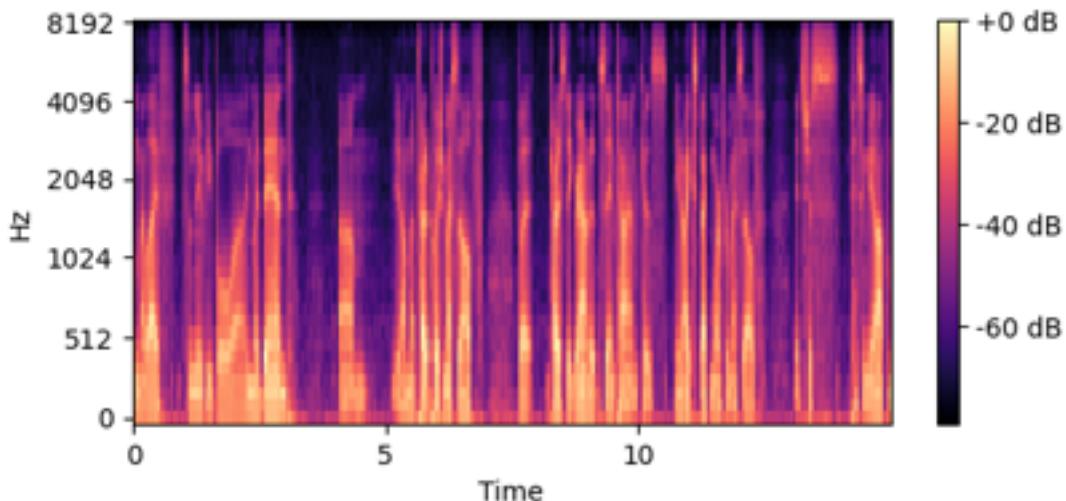

and you know I try to psych myself into giving a shit and it just makes me sick you know maybe I'll have a Red Bull or something and you know my body doesn't want that in the morning it just like my body rejects things

Segment 42 | Probability: 0.6091

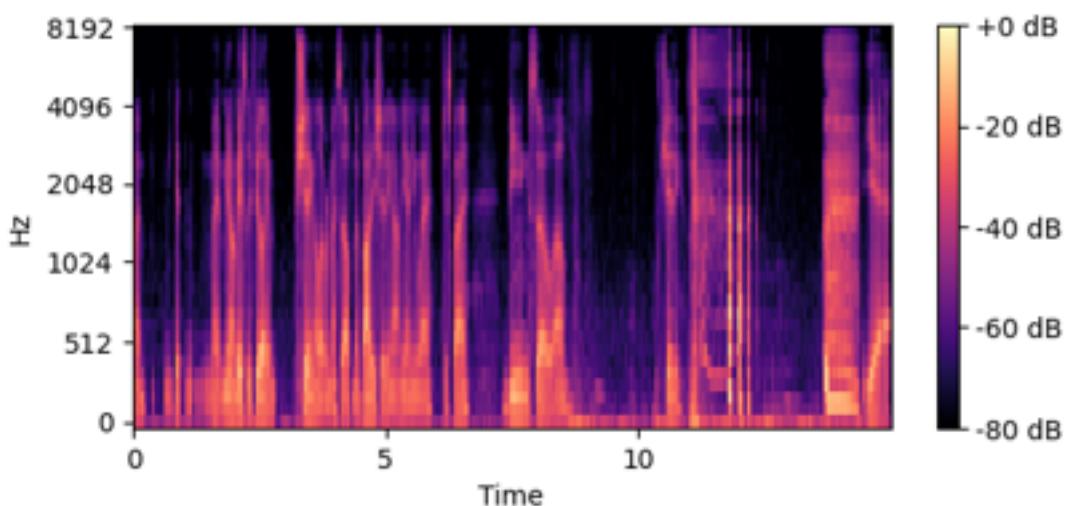

I've been feeling okay. Very reflective, very contemplative. There's going to be some changes and there's going to be some new people.

Segment 43 | Probability: 0.5009

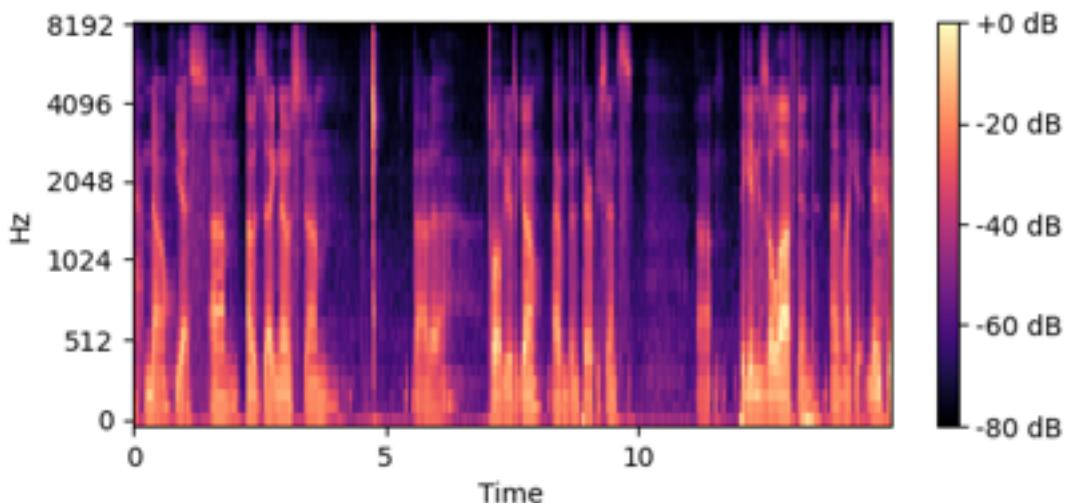

in my life, some new people in my band, you know, I'm gonna try to push myself, but try to stay grounded at the same time, because, you know, I expect more for myself. It's just pissing me off.

Segment 44 | Probability: 0.5203

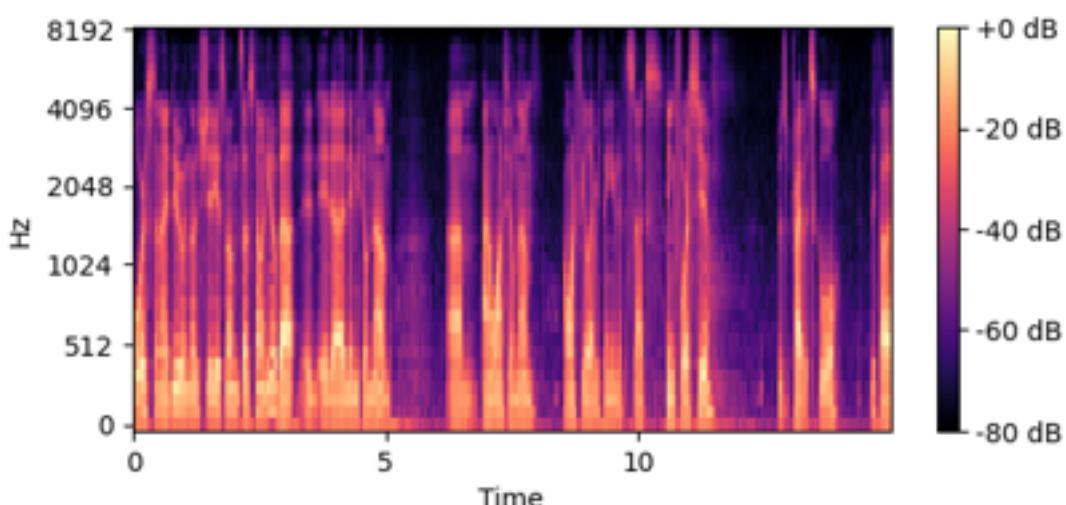

I get my you know basically feel like I'm shitting all over myself my body shitting on me anyway just by being so Shitty Yeah

Segment 45 | Probability: 0.6385

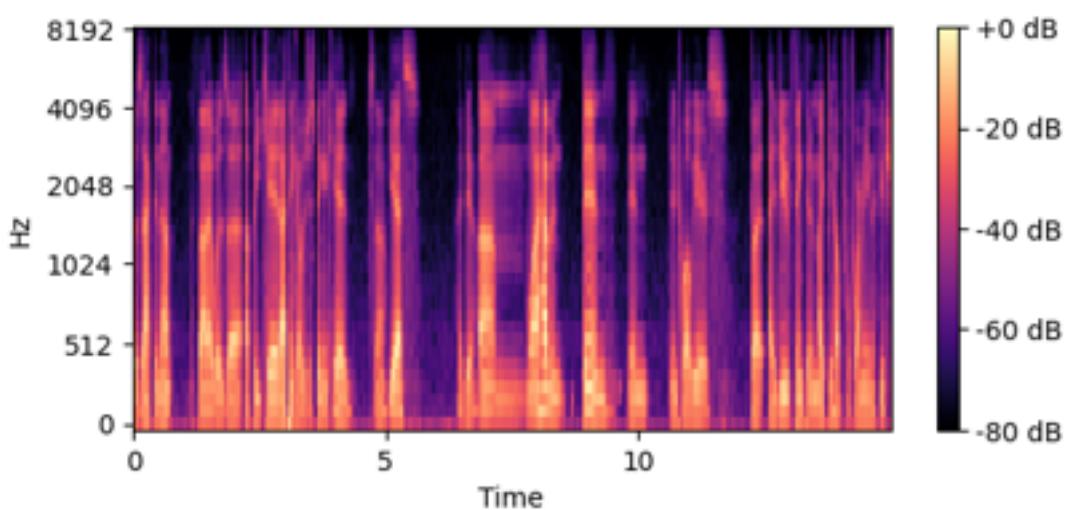

No, yes. I was diagnosed about 12 years ago. I haven't been in therapy since. They gave me Zoloft and I didn't like it.

Segment 46 | Probability: 0.4631

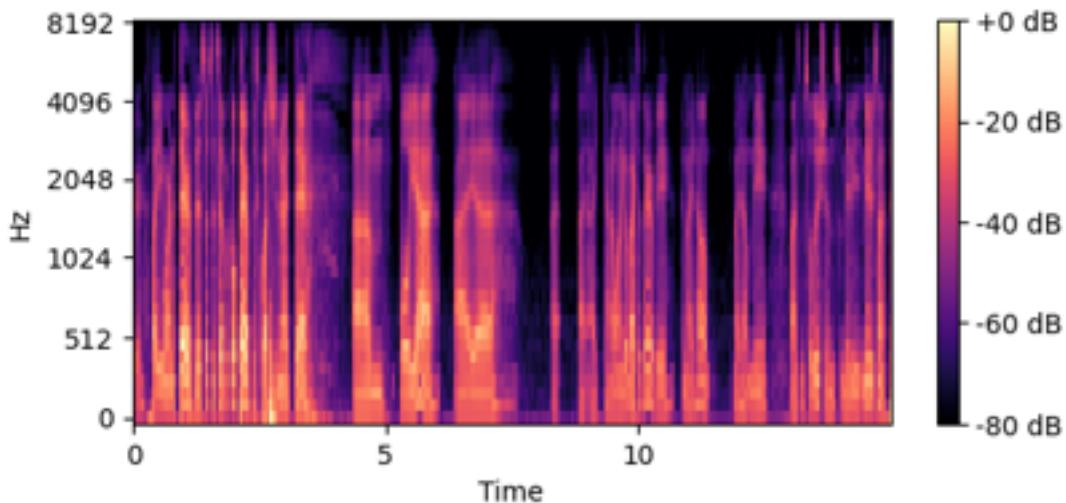

worse than I do in those shittiest moments I was telling you about it it made me feel numb um I don't want to feel numb I want to feel everything even if it sucks being forced to it was a private school they thought I

Segment 47 | Probability: 0.5037

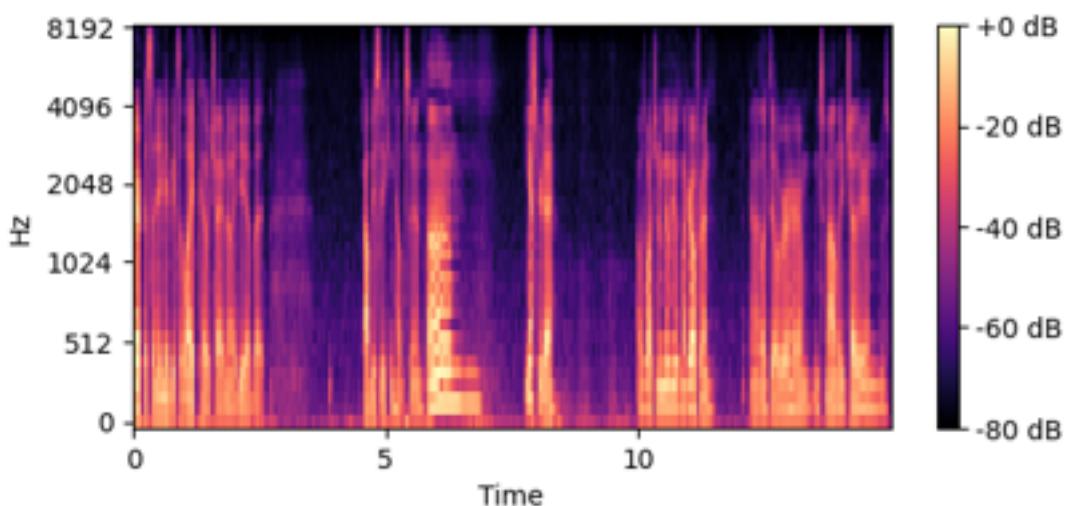

I was acting up, thought I was an uppity kid, I think I was just being a kid, so yes, I do. Well, I haven't been in 12 years, but I do think that it might be helpful for me in the future.

Segment 48 | Probability: 0.6313

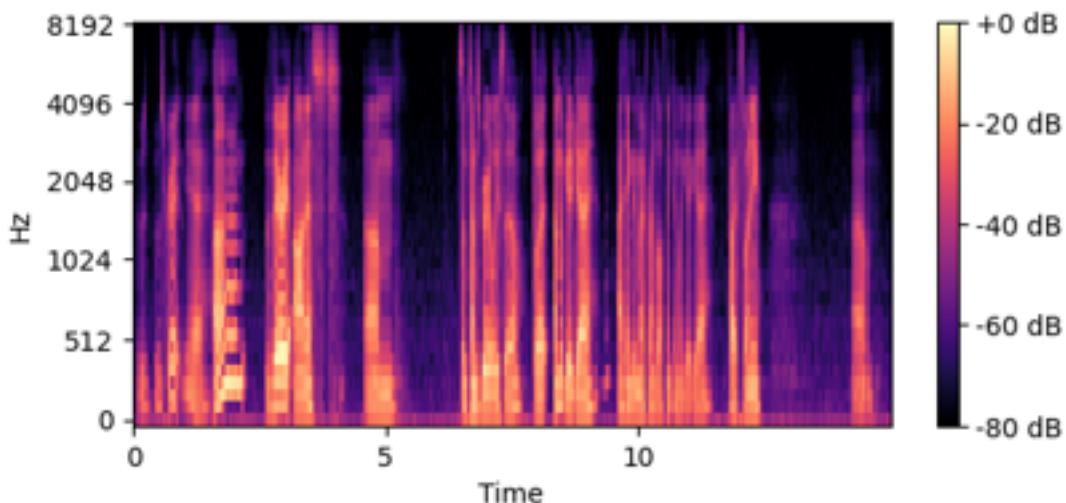

I thought you weren't a therapist. That's a typical therapist question right there. Um, well yeah, I uh, I kinda wanna go back to therapy. It might help, might help me find some solutions. Maybe it's not a th-

Segment 49 | Probability: 0.5976

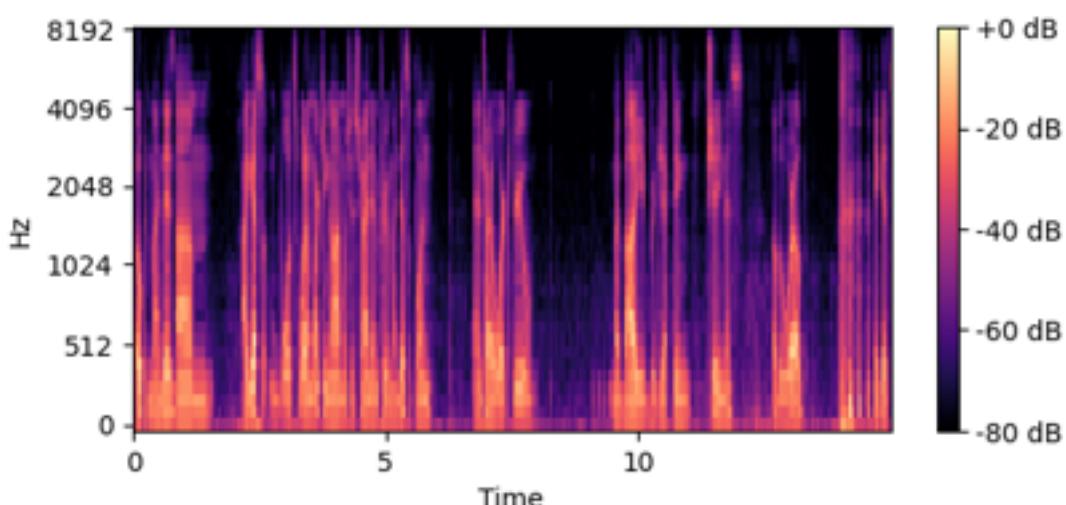

therapist and maybe it's a life coach I have no idea but I'll be seeking help soon. Yesterday I was watching a movie with my girlfriend and I looked over at her and we smiled at each other and was

Segment 50 | Probability: 0.4087

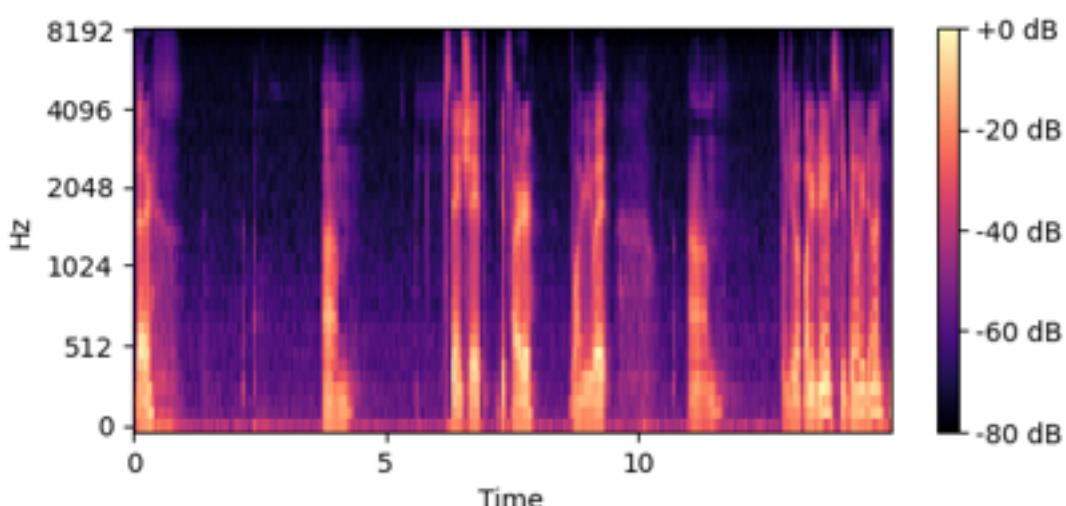

It was great. Yeah. Um, very honest. Um, sometimes brutally so. But I'm a good guy. I think that my friends all think I'm a good guy. Probably funny.

Segment 51 | Probability: 0.5189

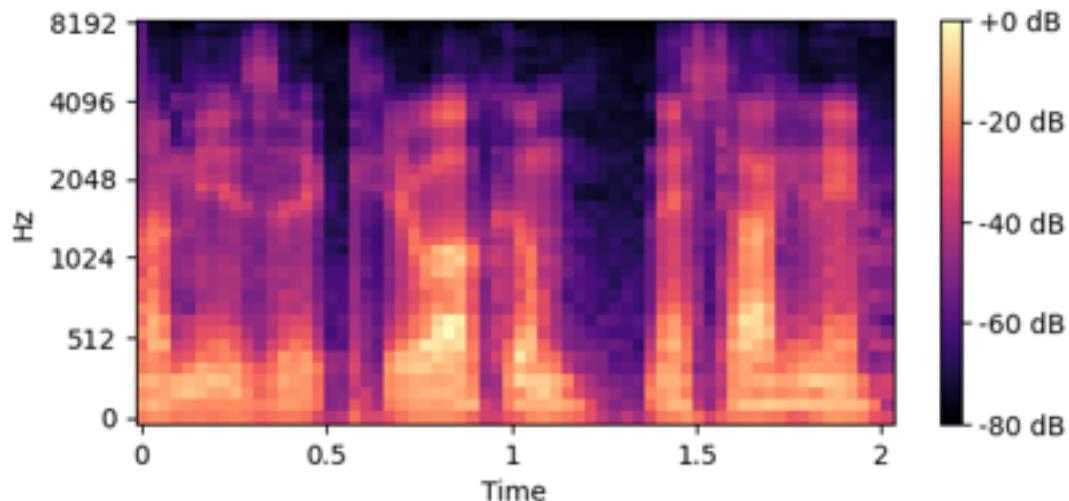

open-minded. I guess what I'm working on which is trying to improve my discipline and try to work through my body rejecting shittiness of the world, it gets...

Segment 52 | Probability: 0.4868

better. Stay in shape. It gets harder the longer you wait. Don't give up on your dreams. Keep doing what you're doing.

Segment 53 | Probability: 0.4371

music you're welcome next time
